SN109 - UoN CCC - Complaints Register

HANSEN YUNCKEN

Date	Time	Reported By	Reported To	Company Associated	Complaint	Description/Activity	Outcome
22/02/2024	1:30pm	D.Reith / R.Scmitzer	R.Schmitzer / L.Bury	Member of Public (No name provied)	**22/02/2024:** As per Aconex HY-GCOR-000352. Complants include: - The height of the new building - Would the building be blocking his view from his apartment - Who approved the development - Can he and the Strata manager be provided with the plans	The development application and construction of the new building	HY advised that he would need to contact the relevant planning bodies with regards to his queries
6/08/2024	11:00am	Julia Pope - NSW Planning	R.Schmitzer	Member of Public	**1/08/2024:** "Machinery was operating and the site lit up with flood lights until 11:30pm, with workers yelling across the site to each other until close to midnight. Due to the noise our household was unable to get to sleep which affected our ability to work and maintain our usual schedule the following day	Due to adverse weather conditions while concrete pouring, this resulted in an extended time to complete the concrete finish to the ground floor slab	NSW Planning issued an Official Caution to Hansen Yuncken on 26/09/2024.
