**Please note:** This timetable shows the **lecture** times for each course. An additional one-hour tutorial for each course will commence in Week 2 and be offered fortnightly (either before or after the lecture time). Further information about tutorial times and venues will be provided by lecturers in Course Outlines in week 1. Please avoid any timetable clashes when you select your courses. Class times and venues can be checked at [http://webapps.newcastle.edu.au/timetables/class\\_times/classtimes.cfm](http://webapps.newcastle.edu.au/timetables/class_times/classtimes.cfm)

Timetable is correct at time of printing.
