RISIW Invites you to ... ERA SOCIAL WORK CELEBRATION & BOOK LAUNCH

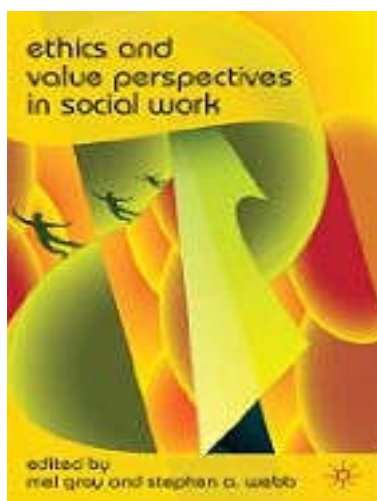

Excellence in Research Australia (ERA) is an independent assessment coordinated by the Australian Research Council, designed to assess research quality in Australia's higher education institutions over the period 2003-2008. The University of Newcastle's field of Social Work received an ERA rating of 4 which is the highest rating for Social Work in Australia.

NEW FROM Professor Mel Gray and Professor Stephen Webb

Ethics and Value Perspectives in Social Work
published by Palgrave

International Social Work (4 Volume Major Reference work)
published by Sage

Come and join us in celebrating social work's remarkable achievement in receiving an ERA 4 rating. Drinks and Canapes will be provided.
