

Bachelor of Midwifery [12200] (pre-2022) to Bachelor of Midwifery [40297]

Transition Arrangements

The following description outlines the approved transition arrangements from the Bachelor of Midwifery (12200) (pre-2022) program into the Bachelor of Midwifery (40297) program.

The transition arrangements do not apply to students who have completed courses in the Bachelor of Nursing (11725 and 40298) programs. Credit assessment from the Bachelor of Nursing into the Bachelor of Midwifery are assessed on a case by case basis.

If you have any questions regarding these arrangements and their impact on your enrolment, please contact your Program Advisor (programadvice@newcastle.edu.au).

The information below should be read in conjunction with your [Program Planner](#) for the year you commenced your degree.
