TRANSITION ARRANGEMENTS FOR THE DESIGN TECHNOLOGIES MAJOR

The following tables display the approved transition arrangements for students in the Design Technologies Major – changes effective 2019.

Courses completed pre-2019 will count towards the 2019 program requirements.

Students must complete **ONE** of each of the equivalent courses for their degree requirements i.e. students can count ARBE3506 *or* EDUC3506 to their program, **but not both**.

Students are to complete the 2019 course if you have not already successfully completed the equivalent course in 2018 or prior.

If you have questions regarding your remaining program Major requirements, please email ProgramAdvice@newcastle.edu.au.
