

Bachelor of Construction Management (Building)
Program Code: 10859

Information on Electives

Students are required to undertake a total of 20 units of electives during the course of their program. It is recommended that students undertake:

- 10 units in Year 2 - Semester 1
- 10 units in Year 3 - Semester 2

Questions in relation to Electives should be directed to your [Undergraduate Program Convenor](#).

What is an Elective?

Electives offer students the opportunity to study a topic that interests them. Students may choose courses that build on the subject matter of your degree, or choose courses that are of personal interest.

On Campus students may select courses that they are eligible to enrol in from all of the courses offered at Callaghan campus or Ourimbah campus.

Distance Learning students may select courses from the following options:

- Online Elective Listing available at:
<http://www.newcastle.edu.au/students/current/online-electives.html>
- PHIL3910 Technology and Human Values 10 units
- HUBS2203 Introductory Pharmacology 10 units
- SCIT2100 Contemporary Science & Professional Communication 10 units

Important Notes:

- Distance learning students choosing their **second year** elective are advised to select level 1000 or 2000 courses from the available offerings.
