**Important:**  
Do not click here.

EndNoteWeb is still under development, and is **NOT** currently supported by the University of Newcastle Libraries

4. Wait a few moments, for your request to be processed.

ISI Web of Knowledge<sup>SM</sup> Current Contents Connect GO HOME LOG OUT

**Processing Records**

**Please wait while your request is processed.**  
*(Note: Depending on the number of records and fields selected, this may take several minutes.)*

**Product:** Current Contents Connect  
**Selected action:** Export to Reference Software  
**Processing 10 records:**  
10...Done.

**EXPORT** If the "Export" plugin does not start automatically, then click "Export" to download the records.  
**DONE** When you are done exporting the file, click "Done".

5. EndNote will open and prompt you to select the EndNote library you wish to import the results into.

**Important!**  
Check the quality of references you have imported, and edit them as necessary.
