2. Click on **Export** directly to ProCite, EndNote or Reference Manager

The screenshot shows the 'Export Citations' page in ProQuest. At the top, there are navigation tabs: 'Basic', 'Advanced', 'Topics', 'Publications', and 'My Research' (with '5 marked items'). On the right, 'Interface language: English' is shown. Below the tabs, it says 'Databases selected: Multiple databases...'. The main heading is 'Export Citations' with a 'Back to Results' link. Below this, there are three options, with the first one circled in red:

- **Export directly to ProCite, EndNote or Reference Manager.**
- [Export directly to RefWorks.](#)
- [Download in a format compatible with ProCite, EndNote, Reference Manager and RefWorks.](#)  
Click Save As on the browser's File menu, and save as text file

3. EndNote will open and prompt you to select the EndNote library you wish to import the results into.

**Important!**  
Check the quality of references you have imported, and edit them as necessary.
