

1. Click on **Add to folder** to select the records you want to keep. These will be added to your folder. When you have selected all your records click on **Folder View**.

2. Select items to be exported or **Select all** to export entire list, then click on **Export** icon.

3. Select **Save your citations to a file formatted for Direct Export to Endnote, ProCite or Reference Manager**, then click **Save**.

4. EndNote will open and prompt you to select the EndNote library you wish to import the results into.

Important!
Check the quality of references you have imported, and edit them as necessary.
