Brunei Study Guide

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Brunei Darussalam is built on strategic, institution to institution partnerships and close alignment with priority development areas agreed between the Governments of Australia and Brunei Darussalam. Key areas of collaboration include climate change and energy transition, defence and security capability, sustainable economic development, food security and agricultural innovation, health systems strengthening, maritime governance, science and digital capability, and humanities and social development. Through sustained collaboration with Bruneian institutions and government partners, Newcastle contributes to knowledge exchange, capability development and long term cooperation between Australia and Brunei Darussalam.

Australia Awards in Brunei

Australia Awards Scholarships support emerging leaders from Brunei Darussalam to undertake postgraduate study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to the country's long term development and regional engagement. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing Brunei Darussalam's priority areas. Through advanced study and engagement with Australian expertise, awardees return equipped to strengthen institutions, enhance professional capability and contribute to innovation and sustainable growth across Brunei Darussalam

Applications close on 30 April 2026 at 2.00 pm AEST.
