Pakistan Study Guide

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide award recipients throughout their study journey.

Our engagement in Pakistan is built on strategic, institution to institution partnerships and close alignment with national development priorities, including Pakistan's Vision 2025 and broader economic reform and resilience agendas. Key areas of collaboration include education leadership and system strengthening, public health and health systems development, engineering and infrastructure, energy and mining, digital innovation and cyber capability, climate adaptation and disaster resilience, and inclusive economic growth. Through sustained collaboration with Pakistani universities, government bodies and industry partners, Newcastle contributes to capacity building, workforce development and long term cooperation between Australia and Pakistan.

Australia Awards in Pakistan

Australia Awards Scholarships support emerging leaders from Pakistan to undertake study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to the country's long term development. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to serving Pakistan's national priorities. Through advanced study and exposure to Australian expertise, awardees return equipped to drive institutional reform, strengthen workforce capability and contribute to sustainable development outcomes across Pakistan.

Applications close on 30 April 2026 at 2.00 pm AEST.
