

EXPERIMENT FEST

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

BROUGHT TO YOU BY THE COLLEGE OF ENGINEERING, SCIENCE AND ENVIRONMENT

PROGRAM OVERVIEW

A unique program designed for HSC students to improve their skills and knowledge using a hands-on approach for select experiments and conceptual development.

We are pleased to offer sessions in the following disciplines;

- Biology
- Chemistry
- Earth & Environmental Science
- Physics

BENEFITS FOR STUDENTS

PROVIDES STUDENTS THE OPPORTUNITY TO;

- Engage with enriching educational experiences
- Embed classroom theory and establish a foundation for examination preparation.
- Use equipment that is unavailable at many high schools to conduct experiments relating to the HSC syllabus.
- Engage with University of Newcastle Professors, Lecturers, PhD and Honours students and technical staff, while utilising university laboratories and equipment.

EVENT PRICING

We're thrilled to offer a special reduced rate again this year, in 2026, thanks to the continued and generous support from Orica's Community Investment Program.

\$50 per student, per session

WHEN AND WHERE

CALLAGHAN CAMPUS

Monday 15th June - Friday 19th June 2026

OURIMBAH CAMPUS

Tuesday 23rd June - Friday 26th June 2026

ADDITIONAL INFORMATION

- To ensure a smooth experience, each attending school must provide a student attendance list, and a supervising teacher as a mandatory condition of entry.
- Please note that long pants and enclosed shoes are required for entry into laboratories.
- For session details and additional information, please visit: www.newcastle.edu.au/experimentfest.

HOW TO REGISTER

You will be required to reserve your tickets online through the online booking system Humanix. Please ensure you book as early as possible to increase your chances of securing your preferred session(s). You will have the ability to amend ticket numbers up until the booking deadline of midnight Friday 15th May.
