

# TIPS FOR RECRUITING

- Remember that graduate recruitment is ongoing throughout the year and not just confined to Semester 1.
- It's always the right time to advertise a part-time/casual vacancy.
- Students love it when employers come on-campus, so attend a campus career activity to develop your brand.

## What past Expo exhibitors have said:

"I was very impressed with everything on the day. Very good location. All very good from my perspective and one of the best expos I have attended."

"Great event...back again next year for sure!!"
