OGTR LICENCE CONDITIONS

As the holder of the OGTR Licence for all DNIR and DNR projects, the University is required to ensure the following:

The licence holder must inform each person covered by this licence of the obligations imposed on them by the conditions of the licence. The licence holder must provide the Regulator, on the Regulator's written request, with a signed statement from each person covered by this licence that the licence holder has informed the person of the conditions of this licence that apply to that person.

The licence holder must ensure that any persons covered by this licence are sufficiently trained to ensure any dealings with the GMO by those persons are carried out in accordance with the licence. The licence holder must maintain a record of the training that is provided and the date on which it was provided. The licence holder must provide the Regulator, on the Regulator's written request, with a copy of the training record.

Please complete the following:
