

PROGRAM PLAN

BACHELOR OF EDUCATION (SECONDARY)

FIRST TEACHING AREA:
Design & Technology Industrial
Technology Timber and Metal with
an Additional Teaching Area

START DATE:
Semester 1, 2021

LOCATION:
Callaghan

This Program Plan is an enrolment guide to ensure you are on track to graduate. If at any time you wish to vary from this program plan seek advice from your Academic Program Advisor to ensure you remain on track.

PROGRAM PLAN

BACHELOR OF EDUCATION (SECONDARY)

To be eligible to graduate make sure you have completed 330 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses (including Professional Placement) – 150 units.
- Design and Technology Industrial Technology Timber and Metal Major – 120 units Compulsory Courses and a choice of one of the following:
 - Additional Teaching Area – 60 units; **or**
 - TESOL – 40 units and Electives 20 units; **or**
 - Special Education – 40 units and Electives 20 units; **or**
 - Electives – 60 units
- Students are required to meet [additional academic and non-academic admission requirements](#) throughout the first year of the program to ensure progression into second year education courses.
- If students wish to take Mathematics courses, please review the information at [Enrolling in Maths](#) to determine which course will complement your previous knowledge.
- Students will need to ensure that they meet the registration requirements for all of their teaching areas. Please also refer to further information at [Bachelor of Education \(Secondary\) Teaching Area Requirements](#).
- Students must complete a minimum of 40 units at all levels (1000, 2000, 3000 and 4000), and can complete a maximum of 120 units at 1000 level.
- The duration of this program is 4 years full-time study (40 units per semester) or part-time equivalent.
- The maximum time to complete this program is 10 years.
- Graded Honours is available in the [Bachelor of Education \(Secondary\) \(Honours\)](#) program, for those students who meet the eligibility requirements. Students have the option of transferring after the completion of 160 units in [Bachelor of Education \(Secondary\)](#). Please see the [Bachelor of Education \(Secondary\) \(Honours\)](#) Program Handbook for information about eligibility and application process for that program.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
