PROGRAM PLAN

BACHELOR OF EDUCATION (SECONDARY)

To be eligible to graduate make sure you have completed 330 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses (including Professional Placement) – 150 units
- Computing (First Teaching Area) Compulsory courses - 70 units; and
- Computing (First Teaching Area) Directed courses - 30 units; **and a choice of one of the following:**
 - Additional Teaching Area – 60 units and 20 units of Electives; **or**
 - TESOL - 40 units and Electives - 40 units; **or**
 - Special Education - 40 units and Electives - 40 units; **or**
 - Electives - 80 units
- If students wish to take Mathematics courses, please review the information at [Enrolling in Maths](#) to determine which course will complement your previous knowledge.
- Students are required to meet [additional academic and non-academic admission requirements](#) throughout the first year of the program to ensure progression into second year education courses.
- Students will need to ensure that they meet the registration requirements for all of their teaching areas. Please also refer to further information at [Bachelor of Education \(Secondary\) Teaching Area Requirements](#).
- Students must complete a minimum of 40 units at all levels (1000, 2000, 3000 and 4000), and can complete a maximum of 120 units at 1000 level.
- The duration of this program is 4 years full time study (40 units per semester) or part time equivalent.
- The maximum time to complete this program is 10 years.
- Graded Honours is available in the Bachelor of Education (Secondary) (Honours) program, for those students who meet the eligibility requirements. Students have the option of transferring after the completion of 160 units in Bachelor of Education (Secondary). Please see [the Bachelor of Education \(Secondary\) \(Honours\) Program Handbook](#) for information about eligibility and application process for that program.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
