

Bupa is Australia's leading Health Insurance Provider with over 4 million members. Our hospital network covers 96% of the providers in Australia and our extensive [Bupa Members First](#) network offers nation-wide access to dental, optical, physiotherapy and chiropractic services.

As an employee of the University of Newcastle you can look forward to:

- No waiting periods for services you were covered for with your previous health insurer [find out more](#)
- Receive an **ongoing 5% discount** if you join Bupa or are an existing member on an eligible cover*
- **Discounts on Pet, Home & Contents, Car and Travel Insurance:** 15% off travel insurance premiums and 10% off all other premiums. [Find out more](#)
- **Benefit Bonus** - Your benefits will increase by 2% each year up to a maximum of 10% However; we will treat you like you have been a **loyal customer for 2 years from day one**. This means you can claim more back on extras straight away. To benefit, simply take out Platinum, Gold or Silver Extras cover (annual maximums apply).
- **2 & 6 Month waiting periods on extras are waived for all employees.**
- As a Bupa member, you will have access to our [Members First Platinum](#) network with no out of pocket cost for you and your family for preventative dental
- **Access to Bupa Plus** Keep your mind and body active with some great member discounts on things like gym memberships, movie vouchers and theme park entry. For more information Visit: <http://www.bupaplus.com.au/>
- **Complimentary access to 'After Hours Plus' from National Home Doctor Service.** This means when you book an after hours, bulk-billed doctor home visit, the doctor may prescribe common medications, on the spot, **at no charge to you.** [Click here](#) for more information as well as coverage areas.
- **Gap free:** Bupa will cover the cost of General Dental, Physio and Chiro for dependent children until they turn 25 at a [Members First Provider](#). This includes no out of pocket costs on general dental services like check-ups, teeth cleaning, fillings, x-rays and more. Learn more
