

Privacy Statement

The HunterWiSE Network, HunterWiSE High School Outreach Program, and Girls in HunterWiSE Alumni are initiatives of the award-winning Hunter Women in STEM and Entrepreneurship (HunterWiSE) program. HunterWiSE is an independent program focussed on supporting and increasing participation of women and girls in STEM in the Hunter region of NSW, Australia.

HunterWiSE collects member and interaction information for the purpose of the HunterWiSE initiatives. HunterWiSE does not share your personal information with any third parties. Information used in reporting to key stakeholders, marketing and media is de-identified. HunterWiSE does not track your personal online usage or collect your web data. HunterWiSE makes use of the following social media platforms; users are advised to review the privacy and data collection policies of these platforms when using them to interact with HunterWiSE:

Twitter (Privacy Policy) - <https://twitter.com/en/privacy>

Facebook (Data Policy) - <https://www.facebook.com/about/privacy/>

LinkedIn (Privacy Policy) - <https://www.linkedin.com/legal/privacy-policy>

HunterWiSE also undertakes research to evaluate the program(s) and communicates the findings through academic outlets such as journals and conferences. All data collected and used for the purpose of research is collected under approval from the University of Newcastle's Human Research Ethics Committee. HunterWiSE will not use any data about participants in HunterWiSE initiatives without providing an Information Statement about the research (including an ethics approval number) to each participant and gaining their informed consent. Information used in reporting research outcomes will not include any information that could be used to identify participants.

You can advise HunterWiSE at any time to unsubscribe from the network, remove yourself from any initiative(s) and/or delete your information by emailing hunterwise@newcastle.edu.au
