* Electives may be chosen from any non-restricted course offered by the University [http://www.newcastle.edu.au/course](http://www.newcastle.edu.au/course), including any from the approved B Science courses (max 80u of electives).

An Approved Bachelor of Science course is any course listed in the B Science program handbook [http://www.newcastle.edu.au/program/10323.html](http://www.newcastle.edu.au/program/10323.html).

Students should have all the following boxes ticked to be eligible for the degree:

- A total of 240 units
- Minimum of 160 units of approved B Science courses (black, light grey and dark grey cells) comprising:
  - 30 units of core/directed courses (black) – unless exempt from MATH in which case another approved 1000 level B Science course must be chosen in its place
  - At least 100 units of approved courses from the major (light grey)
  - Minimum of 60 units of approved B Science courses at 1000 level (incl. MATH & STAT and major courses)
  - Minimum of 60 units of approved B Science courses at 3000 level (incl. major courses)
  - No more than 100 units at 1000 level
