with us**

UNIVERSITY OF
NEWCASTLE 

YEARS
OF LOOKING AHEAD

**STUDENT
LIVING**

The University of Newcastle acknowledges the Traditional Custodians of the lands on which our campuses are located. The Worimi nation and the Pambalong clan of the Awabakal nation (Newcastle) and Darkinjung People (Central Coast).

We pay respect to Elders past, present and emerging. We also acknowledge and pay respect to the other Aboriginal and Torres Strait Islander nations from which our students, staff and community are drawn.

Your new home

Living on campus is an experience unlike any other.

Whether you are from across Australia or around the globe, your home on campus is where you'll form lifelong friendships and harness your potential in a supportive and diverse community.

Living on campus is more than just a room. When you live with us, you become part of the Student Living community. With an inclusive and fun ResLife program, comprehensive support services, a passionate team dedicated to making your transition to uni as smooth as possible and 24/7 security, you won't want to be anywhere else!

With eight residences to choose from at Callaghan campus and one at our Ourimbah campus, you'll have the unique opportunity to choose your ideal on-campus lifestyle.

East Residence Courtyard

Find out more about living on campus

Our Community

Living on campus means finding a place where you belong.

With residents from over 50 countries around the world all with different stories and experiences, Student Living is dedicated to fostering a community where everyone can feel at home.

One of the best things about living on campus is the opportunity to meet fellow students and build lifelong connections. As soon as you arrive, our team works alongside you to foster a sense of inclusion.

Events throughout the year are open to all members of our residential community and are a great way to meet new people. We are an inclusive community that provides support for Indigenous, international, LGBTQIA+, mature-aged residents and students living with disabilities.

Aboriginal and Torres Strait Islander students

Aboriginal and Torres Strait Islander students will receive a guaranteed offer of accommodation on campus upon completion of an accommodation application, including completion of the University's Establishing Status process.*

This process is completed online through the University's Student Portal. You can read more about this by searching "Establishing Status" on the University website or by contacting PVCIndigenous@newcastle.edu.au

** Conditions apply*

Find out more about the Wollotuka Institute

Why choose us?

Health and wellbeing support

Student Living has a highly skilled team dedicated to ensuring our residents have a safe, rewarding and enjoyable residential experience, including a registered Mental Health Clinician to support the wellbeing of everyone living on campus.

Student Living provides a number of rooms that cater to accessibility needs of residents. Our team can work with you to discuss your options.

Living Environments

Customise your on-campus experience by choosing from three different living environments available across our residences.

- **Single gender*** – same gender living. Gender is about social and cultural identity, expression and experience
- **Quiet Living** – for those seeking a quieter living environment (low alcohol, low noise) while still enjoying Student Living activities
- **General** – for those who do not wish to select anything specific

Sustainability

Sustainability is a key priority here at the University of Newcastle. Here are a few of the ways we are reducing our environmental impact:

- Gas boosted solar hot water, LED lighting and motion sensors have been installed across all of our tower residences
- 2 hour timers are installed on all air conditioners
- Drought proof native plants are used throughout the precinct to limit watering requirements
- Soft plastic and coffee cup recycling at West Residence and clothing donation bins at South Residence

* Single gender living available in select residences only and based on demand. For more information, contact Student Living.

The added extras

Living on campus is more than just a room, there are so many inclusions you might not have thought about that are packaged into your weekly room fees. Here are just some of the added extras:

- **Utilities included** – think: water, electricity and internet, costs that you don't have to add to your budget.
- **Gym membership** – activate your Student Living membership with NUsport to enjoy all the benefits of a healthy lifestyle including access to the gym floor, group classes and heated indoor swimming pool.
- **24/7 security** – assistance with first aid, after dark safe walk service and foot patrols to ensure the safety of the precinct.
- **Free campus transport** – shuttle bus around Callaghan campus and into Newcastle CBD and City campus with stops at local shopping centres. Transport to Gosford campus from Ourimbah.
- **Residential Mentors** – peers that can support you during your time here with information on how to get around the city, which building your class is in, managing housemate disagreements and building connections with fellow residents through regular events.

Safety and security

Your safety is our number one priority. At Student Living, our residents are supported by 24/7 Campus Security services. This includes dedicated After-Hours Duty Officers (AHDOS), CCTV cameras, key and swipe card access into residences and rooms, and an on-call University security shuttle to get you around campus after dark.

After-Hours Duty Officers 24/7 Campus Security

Our After-Hours Duty Officers (AHDOS) provide after-hours support to residents, focusing on student safety and security, engaging with residents and maintaining the Student Living community standards.

Together with the Student Living and Campus Security teams, the AHDOS work to provide a safe and inclusive environment and ensure support for all residents.

The University provides trained security officers to help ensure you and your property are safe on campus. These officers are here 24/7, 365 days a year.

Services provided by the Campus Security team include first aid and emergency response, vehicle and foot patrols, CCTV monitoring, safe walk service and operation of the Callaghan Campus Security Shuttle service.

Leadership

As a resident you can apply for paid and volunteer roles as leaders during your time on campus.

These opportunities enhance your personal and professional development and help create life-ready graduates, ready to make meaningful contributions to our global community.

The residential leadership team is made up of our Residential Mentors (RMs) and Residential Associations. Our leaders work closely with Student Living to build an inclusive and respectful community, leading by example.

Strong, supportive and meaningful relationships are an important part of this community. Your RMs and Associations are there to help you connect with other residents, have an amazing residential experience and build the lifelong friendships that are unique to on-campus living.

Residential Mentors (RMs)

Your RM is your main contact for questions, support, and guidance, whether it's homesickness or finding your student card.

RMs are extensively trained in wellbeing, mental health, consent, inclusivity, and drug and alcohol education. They also organize engaging activities for students on your floor or block, so be sure to ask about upcoming events.

Residential Associations

Your Residential Association is comprised of students voted into this leadership role by their communities. Their purpose is to build a wider sense of belonging and community by organising events such as commencement, formal dinners, sport competitions and opportunities to get involved with charities to help you contribute to your community.

RESLIFE

The **ResLife Program** is all about connecting our vibrant on-campus residential community through holistic events and activities, fostering a friendly yet competitive rivalry between residences.

Throughout the year, Student Living organises a number of fun and engaging events, based around our four ResLife pillars - Health and Wellbeing, Academic Engagement, Community Connection and Culture and Diversity.

Health and Wellbeing

As part of the residential student experience, we value a holistic approach to health and wellbeing. Student Living provides key support services, activities and events throughout the year to encourage our residents to maintain a balanced approach to their time here on campus. We aim to create a range of engagement initiatives to guide residents in understanding more about themselves and their community.

Academic Engagement

At Student Living we support academic engagement, skill building and the development of lifelong learning. In collaboration with various University schools, we challenge residents to fulfill their academic potential, and celebrate their academic achievements. We also offer a variety of academic focused events as part of the ResLife Program to give residents the opportunity to flex their mental muscles outside of their regular academic studies.

Bernie Curran Oval

Community Connection

The activities and events delivered by Student Living aim to promote connection, inclusivity and relationship building by bringing people together, fostering belonging across the residential precinct. From welcoming new residents with ResLife Orientation at the beginning of each semester to the annual celebration at the end of the year, residents will have the opportunity to engage with peer led education and support, workshops, fun social competitions and so much more.

Culture and Diversity

At Student Living we acknowledge the many different experiences of our residents and celebrate the diversity of our community. We value the opportunity for our residents to be part of a community that stretches beyond geographic, cultural and ideological boundaries to create a home of inclusivity and acceptance. There are a number of opportunities within the ResLife Program for residents to showcase and celebrate their individual strengths, talents and cultural heritage.

At the beginning of each semester, Student Living hosts **ResLife Orientation**, aimed to welcome new and returning residents, starting each semester with a program of activities to familiarise residents with their new home, form connections and get to know the Student Living team. The schedule of events aims to set the tone for an inviting and exciting resident experience, beginning your journey as a positive, contributing member of the Student Living community.

Find out more about the ResLife
Program and ResLife Orientation

BUILDING AN INCLUSIVE, WELCOMING COMMUNITY

Callaghan - Where can I live?

Barahineban

Built around a central courtyard and named for the Awabakal word meaning 'a bright place to live', Barahineban offers a unique residential experience.

Offering 96 self-contained, self-catered studio apartments available in two bed configurations, 2 x king single for friends or king for singles or couples, Barahineban is a great place to live.

Residents living at Barahineban, known fondly as 'Bara', have access to a large barbecue area, a study room and a centrally located common room that features a widescreen television, pool table and a small kitchenette.

Barahineban is the perfect place for students seeking a balanced academic and social environment while maintaining privacy and an independent lifestyle.

Edwards Hall - Main Hall

Edwards Hall – affectionately known as ‘Teds’ – was the first on-campus student accommodation residence at the University and was named after George Alfred Edwards, the University’s first Deputy Chancellor. As the oldest residence, Edwards Hall is known for its proud traditions and spirited residential community.

Home to almost 300 residents each year across the dormitory-style Main Hall residence, Edwards Hall Main Hall is all about building strong connections and friendships.

Residents of Edwards Hall, Main Hall can enjoy three common rooms with lounges, televisions and a variety of entertainment equipment, multiple barbecue areas and a large outdoor swimming pool. With so many students living in close proximity, Edwards Hall is more than a place to live - it’s a lively community that builds your confidence and social skills as you strive for academic success.

If you choose to live in Edwards Hall, Main Hall, your dinner meals are included in the weekly room rate and you'll get to enjoy freshly prepared meals each evening in the Dining Hall.

Edwards Hall - Self Catered

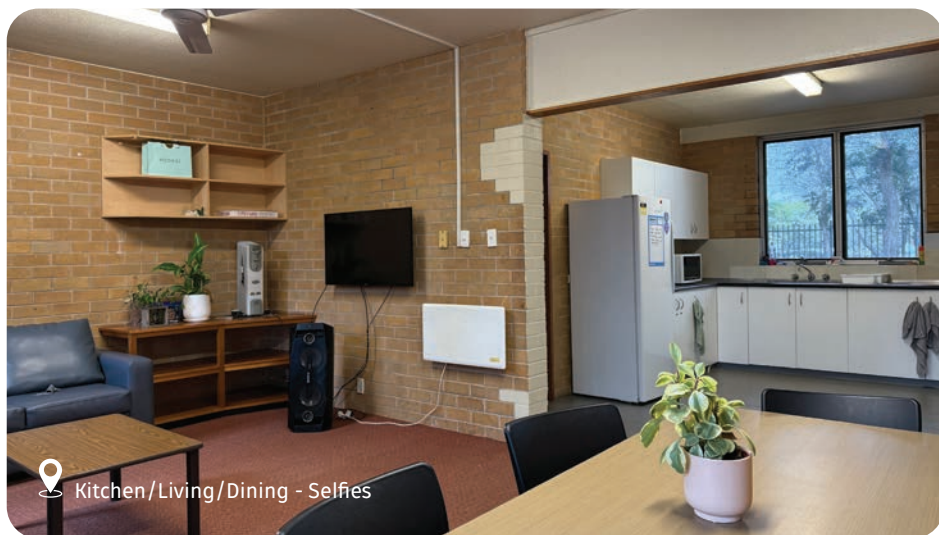

Edwards Hall 'Selfies' is the self-catered, shared apartment-style accommodation of Edwards Hall. If you're looking to be part of the Teds community but prefer the flexibility of being able to prepare your own meals and live with a smaller group of students, this might be the option for you.

Each self-contained apartment houses up to five residents in individual bedrooms who share kitchen, bathroom, living and dining spaces. While Selfies, as the name suggests, is self-catered, you're still able to opt into a meal plan or stop by the Dining Hall for a casual meal with your friends whenever you like.

If you live in a self-catered residence but still want to purchase meals, you can opt into a meal plan by contacting studentliving@newcastle.edu.au.

Evatt House

Evatt House is more than just a place to live while you study. Named after The Hon Elizabeth Evatt AC, the first Chief Justice of the Australian Family Court and first woman to preside in the Australian Federal Court, Evatt House is about pride, enthusiasm and seizing the day.

Evatt House is a home away from home for students who are searching for independence but wish to be part of a friendly, supportive community. Social spaces for Evatt House include two barbecue areas among the gum trees, a large common room with lounges, a television and a pool table plus multiple study areas.

International House

Since its establishment in 1989, International House (IH) has been a home for students from all around the world. From the beginning, the community was purposely designed to provide a supportive environment for students from Australia and the international community to connect and share a unique university experience together. The culture of International House is all about respect, participation, and community spirit.

International House features barbecue areas, a large common room with a television, pool table, alongside an outdoor swimming pool.

Residential Towers North, East, South and West

East Residence Courtyard

Built in 2015, North, East, South and West Residences are the University's seven storey residential towers, which provide a variety of accommodation options including self-catered studios, one-bedroom, two-bedroom and shared apartments.

Along with these options, residents have access to a multitude of social and study spaces including study rooms on each floor, barbecue areas, large ground floor common rooms with televisions, lounges, AV equipment and ping pong tables.

Each tower features a unique element for residents to enjoy, including an in-house cinema located in East, a large communal kitchen in North, a recreational room in South, and West is home to the Student Living office and a common room.

North Residence

Our dedicated Quiet Living Tower, North is the perfect place for students who wish to experience on-campus living in a more relaxed and quieter setting. North provides a home for residents in a safe and enriching environment that encourages the pursuit of academic and extracurricular activities.

Ourimbah - Where can I live?

Blue Gum House

Divided into four wings with units of six or seven bedrooms in each wing, Blue Gum House is a home away from home to 26 residents. With kitchen, dining and lounge facilities open to all members of the wing, the common areas are a hub of activity. Blue Gum House is completely self-catered so our residents have the opportunity to cultivate their cooking skills in a fully equipped kitchen.

Residents have an impressive shared courtyard for social activities with wheelchair access, laundry facilities and a large barbecue area.

Short Stays - Where can I live?

Nihon University Newcastle Campus

Nihon University Newcastle Campus offers short-term accommodation in the heart of Newcastle CBD for students studying at the University of Newcastle.

The accommodation offering provides single bedrooms with shared bathroom, kitchen and laundry facilities on gendered floors, along with common spaces for studying and socialising. The campus is a dry campus and Security is present in the facility 24/7, with key and swipe card access into the building and rooms, plus CCTV cameras throughout to ensure safety of all residents.

You will be on the doorstep of a bustling city, with exciting and engaging attractions accessible during the day and night. Within walking distance, you will find beaches, parks, restaurants, supermarkets, shopping boutiques, access to public transport, and the NUspace campus. Plus the University's free shuttle bus from NUspace connects you to the Callaghan campus.

Nihon University Newcastle Campus is perfect for students looking for a short-term accommodation contract while familiarising themselves with Newcastle, for those studying at NUspace, here for a specific short course or needing a home base while looking for something in the private rental market, or for those just wanting to be close by to the Honeysuckle area!

Campus Life

Here's our top 10 things to do while living on campus

1 But first, coffee

We get it, being caffeinated is high on the priority list! There are heaps of options to grab a coffee at both Callaghan and Ourimbah campuses - including LC Deli, right on your doorstep at West Residence Callaghan and the Ganda Burung Food Shelter at Ourimbah.

2 Join a club

By joining a club, you'll get to connect with like-minded people and collaborate on a interest or topic you're passionate about. With over 100 clubs, societies and social groups – you'll find something that suits you. If you don't? Start your own!

3 Stay active

Callaghan's on-campus gym – The Forum – offers state-of-the-art equipment, group classes, a 50-metre indoor heated pool, along with multi-purpose courts and sporting ovals. Ourimbah has a pop-up gym and is also the perfect location to take a stroll around the bushland campus. As part of your Student Living accommodation package, you now have full access to a Fitness and Aquatic Membership with NUsport's The Forum.

4 Explore your surroundings

Both Callaghan and Ourimbah are located near beautiful bustling coastlines, so we highly recommend you take the opportunity to check out the pristine beaches and iconic ocean baths in Newcastle and take up the opportunity to shop, eat and enjoy a coffee in the eclectic vintage and second-hand stores in nearby Long Jetty, or venture down to the beautiful beachside Terrigal.

5 Put your health first

Callaghan has a medical centre and pharmacy here on campus, and mental health and wellbeing support services available to all University of Newcastle students.

Find out more about Newcastle

6 Love live music?

Callaghan campus is home to one of Newcastle's most iconic live music venues – Bar on the Hill. Bringing in massive names in the music industry, it's a rite of passage to check out at least one gig (or event) at Bar on the Hill.

8 Grab some merch

Want a uni hoodie? Maybe a cap or university branded t-shirt? Check out The Shop on campus or online for all your merch needs.

10 Cheap eats

Want to grab a meal but need to save a few dollars? There are regular free BBQ lunches on campus, plus the newly renovated Bar on The Hill has some delicious options! Or if you're out and about in Newcastle or the Central Coast, make sure to Google cheap feeds (3 tacos for \$15, yes please!)

7 Events, events, events

There's no shortage of social activities happening all year round thanks to the ResLife Program. From ResLife Orientation to free lunches and everything in between – make sure you keep an eye out for what's on around campus.

9 When the sun goes down

Newcastle nightlife comes alive. Think sporting matches, art exhibitions, comedy galas, musicals, restaurants, pubs and bars, open mic nights, and so much more. Our city has a vibrant cultural scene with plenty of activities on offer!

Find out more about
the Central Coast

Find your way

Getting around Callaghan campus

Train access is available to Callaghan campus residents via Warabrook station.

Studying at NUSpace? The Newcastle Light Rail's Civic stop is right at our doorstep.

A free city shuttle runs between Callaghan and NUSpace every 30 minutes during semester.

On weekdays during semester, a free shuttle also operates around Callaghan campus, including Warabrook train station. This shuttle is on-call until midnight.

There are approximately 700 car spaces available exclusively to residents as long as you have a Residential Parking Permit.

Make the most of the bike paths on campus. Our bike hubs at Callaghan and NUSpace offer showers and secure storage.
