What is a StaffLink ID?

A StaffLink ID is a NSW Health employee number. Students due to commence a placement in NSW Health will receive a StaffLink ID and password. You will use your StaffLink ID to access NSW Health Online Applications such as the NSW Health Online Learning Management System (HETI Online) to complete mandatory training. You will use the same StaffLink ID for all of your placements in NSW Health.

When and how will I receive my StaffLink ID?

You will be emailed your StaffLink ID and a temporary password when you are first assigned to a placement that is due to commence within 14 days. The email will come from [EHNSW-NSWHealthStudentOnlineAccounts](#). If you have previously received a StaffLink ID and have changed your password, you will continue to use this same StaffLink ID.

How do I find my StaffLink ID if I have forgotten it?

If you have a StaffLink ID, it will be displayed on your ClinConnect Profile. Contact your Education Provider to obtain your StaffLink ID. If you are on placement, your student supervisor should also be able to see your StaffLink ID in ClinConnect.

How do I change my password if I know my current password?

1. Log into HETI Online here: <http://hetionline.health.nsw.gov.au>
