

Centre for the Study of Violence Visitor Programme

The Centre for Study of Violence welcomes a wide range of academics and practitioners who wish to contribute to and participate in the work of the Centre. Applicants should complete the Visitor Application Form and send it with a separate sheet detailing the planned research activity or programme, along with a CV to the email address below.

The deadline for receipt of applications is one Semester before the planned visit, so that a visitor hoping to come in Semester I (the first half of the year) term should submit the application by the preceding Semester deadline at the latest.

Applicants must secure independent funding for accommodation and living expenses for the period of their proposed visit. We are unable to assist with finding accommodation and travel or visa arrangements.

For Semester I 2020	25/11/19
For Semester II 2020	25/01/20
