Indonesia Study Guide

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Indonesia is built on strategic, institution to institution partnerships and close alignment with national development priorities, including Indonesia Emas 2045 and broader economic transformation and resilience agendas. Key areas of collaboration include equitable and sustainable economic transformation, climate resilient communities, institutional strengthening and governance reform, maritime security, digital innovation and cyber capability, infrastructure development and inclusive growth. Through sustained collaboration with Indonesian universities, government agencies and industry partners, Newcastle contributes to capacity building, workforce development and long term cooperation between Australia and Indonesia.

Australia Awards in Indonesia

Australia Awards Scholarships support emerging leaders from Indonesia to undertake study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to Indonesia's long term development. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing Indonesia's national priorities. Through advanced study and engagement with Australian expertise, awardees return equipped to strengthen institutions, enhance workforce capability and contribute to sustainable and inclusive development across Indonesia.

Applications close on 30 April 2026 at 2.00 pm AEST.
