Singapore Study Guide

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Singapore is built on strategic, institution to institution partnerships and close alignment with the Australia–Singapore Comprehensive Strategic Partnership and shared priorities in innovation, sustainability, digital transformation and regional security. Key areas of collaboration include climate and energy transition, trade and economic development, cyber security and artificial intelligence, international security, business leadership, public policy and public health. Through sustained collaboration with Singaporean universities, government agencies and industry partners, Newcastle contributes to knowledge exchange, capability development and long term cooperation between Australia and Singapore.

Australia Awards in Singapore

Australia Awards Scholarships support emerging leaders from Singapore to undertake postgraduate study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to regional cooperation and innovation. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing shared Australia–Singapore priorities. Through advanced study and engagement with Australian expertise, awardees return equipped to deepen institutional collaboration, enhance professional capability and contribute to innovation and sustainable growth across Singapore and the broader region.
