To be eligible to graduate make sure you have completed 120 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses – 60 units
- Directed courses – 60 units, visit the [Program Handbook](#) for more information
- This degree can be completed with a specialisation by choosing 40 units of Directed courses from one specialisation list in the handbook. See last page for options.
- The recommended duration of this program is 4 trimesters.
- The maximum time to complete this program is 5 years.
- The above enrolment pattern complies with the conditions of international student visas. Failing to follow this enrolment advice may result in international students not being able to graduate within the period of their Confirmation of Enrolment
- **Students must enrol ONLY in courses listed in the program handbook. Students are not permitted to select courses from outside their degree program.**

Some courses have assumed knowledge and/or prerequisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
