Welcome

We are delighted that you are interested in studying with us at the University of Newcastle, Australia. We have been ranked as one of the top 200 institutions in the world for the last three years. We are recognised for our commitment to ensuring that all of our students have an outstanding experience at our University.

We host more than 37,000 students across our campuses, who come from over 100 countries around the world. Our campuses in Newcastle, the Central Coast, Sydney and Singapore reflect the cultural diversity of our students and staff. We celebrate students like you from all over the world. Our University is a place where you can succeed and where you will always feel welcome.

What sets us apart is our connections with employers. We are ranked as the number one University in Australia for industry collaboration. We are also recognised as the number one University in Australia for partnering with others to achieve a sustainable future. Our connections with industries offer you exciting, real-world learning opportunities – this gives you a competitive advantage for employment after you graduate.

Our University shows leadership on important social issues. We recognise our role in addressing climate change and we take our responsibility seriously. To support this, we are investing in research into next-generation energy and resources. We are also taking steps to minimise our own impact on the planet. Our campuses are powered with 100 per cent renewable electricity and we are working towards our goal of being carbon neutral by 2025.

The University of Newcastle established the College of International Education to provide international students like you with a pathway to join our University.

Through the College, we have created an environment of support where you can grow and will be prepared to succeed with your studies. If you are looking for a University where you can make a difference and be inspired by leading educators who are working to create a better future, there is a place for you at the University of Newcastle.

Professor Alex Zelinsky AO
Vice-Chancellor and President

Looking Ahead
Strategic Plan 2020-2025.

The University of Newcastle College of International Education

Thank you for your interest in the University of Newcastle College of International Education.

Newcastle is one of Australia's most under-rated cities yet it offers students one of the best study experiences in the world. As the seventh largest city in Australia, you can expect to find everything that a mega city offers but with a more relaxed vibe. It is an affordable, clean, safe and vibrant city to study, live and work. It is also a city in the middle of an exciting urban renewal, with billions of dollars of investment behind a construction boom that is changing the city's skyline.

This is your first step towards your undergraduate or postgraduate study at the University of Newcastle – a Top 200 university for three years in a row¹, and now ranked in 192 in the world².

We know that moving to a new city can be exciting but challenging. Our experienced Academic team at the College are working

hard to prepare and deliver an innovative and engaging study program for you. Our dedicated and friendly Student Experience team are also here to ensure you are supported throughout your time at the College. They can assist you with program advice, information about campus events, accommodation options, and transitioning to the University.

On behalf of all our staff at the University of Newcastle College of International Education, I extend a personal welcome to you. The College is a wonderful place to study and I am confident that you will enjoy your time here with us.

Jonathan Hunter
College Director

Welcome to our
International Students

Why study at The University of Newcastle?

Choosing to study at the University of Newcastle can give you a competitive advantage for your future career. Here are some of the top reasons to study with us.

Newcastle campus, Callaghan

1 STUDY AT A TOP 200 UNIVERSITY IN THE WORLD¹

You will have access to world-class programs, inspiring and collaborative learning environments, and opportunities to put theory into practice with real-world experiences.

Learn from our passionate and talented teaching staff who have strong industry connections and experience.

2 GAIN ADDITIONAL POST-STUDY WORK OPPORTUNITIES IN AUSTRALIA

The Australian Government allows students who meet study and skills criteria² to stay in Australia after they complete their study and gain valuable work experience. To promote living and working in regional areas, students are eligible to stay for up to two years if they complete their studies at our Sydney campus, for up to three years at our Newcastle campus, and for up to four years from our Central Coast campus.

3 BUILD YOUR PROFESSIONAL NETWORKS AND CONNECT WITH OUR INDUSTRY PARTNERS

We offer the chance to tap into the University's industry connections for practical work experience, greater connection with local, regional and national industry partners, and the opportunity to grow your professional network. You can open more doors with us.

4 EXPERIENCE MORE CAREER OPPORTUNITIES

More than 89 per cent of our undergraduates and 93.3 per cent of our postgraduates gain employment within four months of completing their studies.

Central Coast campus, Ourimbah

TOP 5 IN THE WORLD FOR PARTNERING FOR A SUSTAINABLE FUTURE⁴

5 EARN ABOVE AVERAGE SALARIES

Our students start post-study work with higher salaries than the Australian average³.

A\$63,193 median salary for undergraduate employment - above national average³.

A\$82,969 median salary for postgraduate employment - above national average³.

6 ENGAGE IN PRACTICAL LEARNING EXPERIENCES WHILE YOU STUDY

We have built practical learning experiences into all of our study programs. This ensures you will be well prepared for work environments, and ready to take on new challenges.

7 ENJOY A MORE AFFORDABLE AUSTRALIAN STUDY EXPERIENCE

For study and living, Newcastle and the Central Coast are more affordable than most major cities in Australia. We also run workshops and classes to help you find part-time work while you study. With a range of international scholarships, there are many affordable ways to study with us.

8 BE PART OF A VIBRANT STUDENT COMMUNITY

Our international and domestic students love studying at our beautiful campuses. With friendly support services and staff, we help make your stay safe and secure, so you can focus on your study and gain unforgettable experiences in Australia.

About Newcastle

Located on Australia's eastern coast, just 160 kilometres north of Sydney, Newcastle is situated in the Hunter, which is the leading regional economy in Australia.

The city centre is next to both Newcastle Harbour, the busiest energy port in the world, and some of the world's most beautiful coastline with views of the Southern Pacific Ocean.

Newcastle is home to a thriving community. It enjoys a subtropical climate with long, warm summers and short, cool winters.

AIR LINKS

Newcastle Williamtown Airport has regular connections to Melbourne, Adelaide, Brisbane, Gold Coast, Sunshine Coast, Canberra, and Cairns. A seasonal summer link to Auckland, New Zealand, is also available with more international links expected from 2023.

Sydney Airport is around two hours away by car or shuttle bus, and can also be reached via train. Students can take the train from the international terminal to Sydney Central Station and then board the train to the Newcastle Interchange.

Cost of Living

Newcastle is more affordable when compared with most Australian capital cities across categories including groceries, leisure activities and accommodation*.

During your time here you will be responsible for living costs such as accommodation, food, clothing, transport, entertainment, as well as incidental expenses like books, equipment required for your studies, internet, and sporting/gym memberships.

Before granting a student visa, the Australian Government Department of Immigration and Border Protection will require you to show or declare that you have enough funds to pay for your expenses while in Australia, and that you're covered by Overseas Student Health Cover (OSHC) insurance.

For more information about costs visit newcastle.edu.au/study/international/before-you-leave/finances

How does Newcastle compare to other cities?

Campuses

The University of Newcastle offers safe, friendly and secure campuses with a range of innovative facilities for you to make the most of your study experience in Australia. You will learn from world-class educators and interact with local and international students and experience the Australian culture and way of life.

▶ Check out our campuses.

Newcastle (Callaghan)

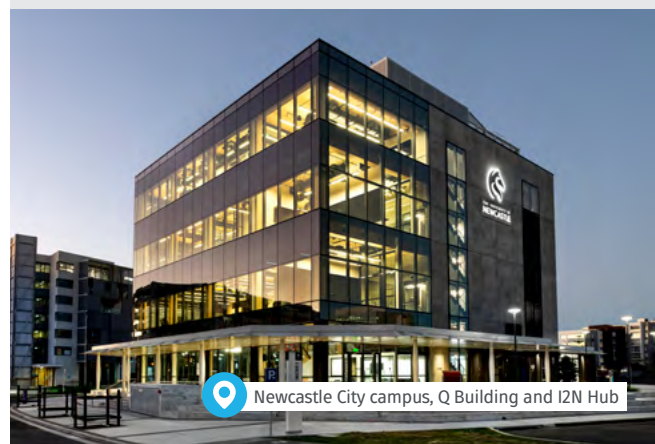

Our Newcastle Callaghan campus is a central hub for education, humanities, social science, and the fields of science, technology, engineering, mathematics, and medicine (STEMM), as well as nursing and health. The region's largest hospitals, the Hunter Medical Research Institute, schools, early childcare facilities, and local defence and industrial hubs are all in close proximity. With all this on your doorstep, you will have plenty of chances to meet industry leaders and build practical skills. Also located at our Newcastle (Callaghan) campus, NUSport at The Forum offers state-of-the-art health and fitness facilities and programs to help maintain your physical and mental wellbeing.

▶ Newcastle campus, Callaghan

Newcastle (city)

In the heart of the CBD, our Newcastle City campus provides an integral link with industry in creativity, business and law. Home to the Newcastle Legal Centre and Newcastle Graduate School of Business, NUSpace harnesses the latest in technology and innovation to deliver a world-class student experience. Overlooking Newcastle harbour, Q Building is home to our School of Creative Industries as well as our Integrated Innovation Network (I2N) Hub. Enrich your learning experience with specialised studios and technologies, and shared spaces to connect with staff, industry, and community. Located just a few minute's walk from Q Building, NUSport at The Forum Harbourside offers leading health and fitness facilities in a convenient location – so you can stay healthy while you study.

 Newcastle City campus, NUspace

Central Coast (Ourimbah and Gosford)

Halfway between Newcastle and Sydney, our Central Coast campus offers study programs in business, education, sciences and the environment, humanities and social science, oral health therapy and the sciences (food, coastal and marine and exercise and sports). Our students benefit from strong links with local industry and partnerships with the Central Coast Local Health District for nursing and specialised health degrees. Strategically located on the grounds of Gosford Hospital, our world-class Central Coast Clinical School and Central Coast Clinical Institute has transformed the region into a leader in health, research, innovation and education. The state-of-the-art facility offers a three-ward simulation centre, anatomy and histology laboratory, research laboratories, virtual reality spaces and more.

Sydney (city)

Our Sydney campus, in the middle of Sydney's central business district, offers world-class facilities and innovative styles of learning. A range of postgraduate programs are offered at this campus including Information Technology, Business Administration and Professional Accounting. Students progressing from our Pre-Master's Program have the option of progressing to the Sydney campus for some degree options. Both the campus and programs are designed to meet the business needs of today, so that students can solve the challenges of tomorrow.

 Sydney City campus

 Central Coast Clinical School

Campus Life

On campus you'll have plenty of opportunities to have fun, meet new people, make lifelong friends and experience new things.

Cafés and Live Music

Whether you're looking for a good coffee to kickstart your day, a bite to eat or a place to relax in between classes, we've got you covered. You'll be able to choose from a wide range of cafés, food outlets and bars across all our campuses. And you don't have to venture too far to catch some of the world's biggest musicians and bands. Chances are you'll find a gig at Callaghan's Bar on the Hill, one of the many venues close to the Newcastle City campus, or further down the coast at The Beery in Terrigal.

Festivals and Events

No matter which campus you study at, there's always something happening during the semester. From Orientation to Autonomy Party and plenty of events in between, there's no shortage of social activities. Take part in study workshops, get involved in health and fitness programs, attend presentations from international scholars, or simply kick back and enjoy watching a movie by moonlight.

Clubs and Societies

The University is home to over 150 clubs, societies and social groups who are always looking for new members. Are you a budding basketballer? Art appreciator? Diver? Dancer? Anime enthusiast? Be part of something new, something exciting. Challenge yourself, or just have fun.

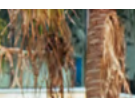

Staying Active

Great health and fitness facilities await you at The Forum University (Callaghan campus) and Harbourside (Newcastle City campus). You'll find a 50m indoor heated swimming pool, extensive group fitness options and state-of-the-art strength and cardio equipment. Indoor courts provide for casual hoops and structured social sport competitions all year. Join one of many sporting clubs or compete in the representative inter-University competition – UniSport Nationals.

theforum.org.au

There are plenty of outdoor spaces with sporting fields, shared paths and dedicated fitness trails on campus. Our Ourimbah campus also offers a gym and covered outdoor recreation area – providing a great place for students to be active and engaged all year round.

Getting Around

Access via train is available for both Callaghan (Warabrook station) and Central Coast (Ourimbah station) campuses. If you're studying at our Newcastle City or Honeysuckle campuses, the Newcastle Light Rail's Civic stop is right at our doorstep.

Beautiful bike paths make riding around campus fun, and our bike hubs at Callaghan and Newcastle City campuses offer showers and secure storage.

A free shuttle bus loops around Callaghan campus to get you to and from class and runs between our Callaghan and Newcastle City campuses every 30 minutes during semester.

An after-hours, on-call security shuttle is also available at Callaghan campus. The shuttle can take you back to your car or to Warabrook train station and surrounding suburbs.

Services On Campus

We offer several additional services across our campuses to make student life easier including:

- ATMs
- medical centre and pharmacy
- post office
- book shop and other retailers
- childcare
- counselling

newcastle.edu.au/services

Campus Facilities

Located in the heart of the city, NUspace is only a short walk away from the stunning beaches, the main shopping precinct and the heart of entertainment in Newcastle.

Student Services

You can meet with our Student Experience team at any time to discuss any challenges or concerns that may arise.

What can the Student Experience team do for you?

- Connect you with academic support
- Provide you with program and enrolment advice
- Assist with degree choices and course selection
- Provide welfare support for personal issues (including confidential counselling)
- Help you manage your time and deal with study pressures
- General study and motivation assistance
- Help with accommodation – homestay, on-campus and off-campus
- Support for students under the age of 18
- Connect you with clubs, societies and peers to help you build your social networks

Learning support

We have students from all over the world, and to ensure you have the best opportunity to reach your potential our tutorial support sessions are part of your study program. Ask your Student Experience Team for more details.

Making friends

With NUspace being in the heart of the city, our students are able to take advantage of the educational, recreational and social facilities in and around the University building. Students can meet at NUspace Cafe or Darks Coffee.

Social Activities

The Student Experience Team organises regular events in and around the University for international students to broaden their experience, enhance their social networks and provide support and guidance to other internationals.

Computer access

Computer suites and wireless internet are available to all College students. There are a number of computers available to use anytime at both the College and University campuses.

Library

The main library is in the city campus NUspace, located on the first floor. Our students have access to all its resources, systems and support services. If you are on a different campus, you will still have access to the full service and resources of the library. Find out more at newcastle.edu.au/library.

Introducing our Programs

Foundation Studies

Our Foundation Studies is your pathway to over 130 bachelors' degrees at the University of Newcastle!

As part of the program, you'll study a total of eight courses and, upon successful completion, progress to Year 1 of your selected bachelor's degree at the University.

Applicants who successfully receive a Letter of Offer will have a packaged offer which includes both Foundation Studies and their chosen degree program in the same offer. Once the offer is accepted and deposit paid, electronic Confirmation of Enrolment (eCOE) documents are provided for both programs (including Health Science quota programs), allowing students to secure a visa for the full duration of their study.

Our Foundation Studies have been specifically designed to boost your qualifications and bridge any gaps in your academic preparation and English language proficiency.

Studying with us, you'll enjoy small class sizes in a caring and supportive environment, to help prepare you for a successful transition to the University of Newcastle.

Foundation Studies in Medicine

Students who would like to enter the Bachelor of Medical Science & Doctor of Medicine program, but don't meet the direct entry requirements, have the opportunity to secure a place through our exclusive Foundation Studies in Medicine program pathway.

What makes our program different?

- Our Letter of Offer is packaged and contains both the Foundation Studies in Medicine and the Bachelor of Medical Science & Doctor of Medicine in the one offer.
- If you accept an offer with us, you will receive the Electronic Confirmation of Enrolment (eCoE) for the Bachelor of Medical Science & Doctor of Medicine as well as Foundation Studies in Medicine.
- The University of Newcastle has extra quota places in the medical degree reserved exclusively for our Foundation Studies in Medicine students.
- Achieving a percentage score of 90 and above in our Foundation Studies program guarantees you a spot in the Multiple Skills Assessment (interview) and Personal Qualities Assessment (PQA).
- High progression rate.

**We are the only international
pathway provider in Australia to offer
this program**

CRICOS Code 104603H

Intake	Duration
20 February	12 months

Degree Transfer

Our range of Degree Transfer programs are designed for students who have completed 12 years of schooling in their home country, and offers a direct pathway into the second year of their chosen bachelor's degree at the University of Newcastle. They are available in four different streams: Business, Commerce, Engineering, and Information Technology.

A Degree Transfer program can be packaged with one of 33 different bachelor's degrees at the University.

What makes our programs different?

- Enjoy access to all the same facilities and services as University of Newcastle students from day one.
- Study the Year 1 curriculum of your bachelor's degree in a supportive small-class environment.
- Boost your language and communication skills with Academic English.
- Attend Year 1 lectures and tutorials plus extra tutorial support – you'll meet your classmates the same time as direct entry students.

High School (Year 12)

Degree Transfer (CIE)

Year 2, University of Newcastle

Degree Transfer - Business

CRICOS code	104604G
Intakes	20 February or 17 July
Duration	12 months
Program Fee*	\$29,900

COURSE STRUCTURE

Nine core courses

- ACFI1001 Accounting for Decision Makers
- ACFI1003 Introduction to Finance
- ECON1001 Microeconomics for Business Decisions
- LEGL1001 Foundations of Law
- MKTG1001 Foundations of Marketing
- MNGT1001 Introduction to Management
- Academic English A
- Academic English B
- STAT1060 Business Decision Making

One elective course from the following:

- ACFI1002 Accounting Practice
- ECON1002 Macroeconomics in the Global Economy

Degree Transfer - Commerce

CRICOS code	104606E
Intakes	20 February or 17 July
Duration	12 months
Program Fee*	\$29,900

COURSE STRUCTURE

Ten core courses

- ACFI1001 Accounting for Decision Makers
- ACFI1002 Accounting Practice
- ACFI1003 Introduction to Finance
- ECON1001 Microeconomics for Business Decisions
- ECON1002 Macroeconomics in the Global Economy
- LEGL1001 Foundations of Law
- MNGT1001 Introduction to Management
- Academic English A
- Academic English B
- STAT1060 Business Decision Making

Second year entry to your choice of nine bachelor's degrees:

- Bachelor of Business (Entrepreneurship & Innovation)
- Bachelor of Business (International Business)
- Bachelor of Business (Human Resource Management)
- Bachelor of Business (Leadership & Management)
- Bachelor of Business (Marketing)
- Bachelor of Business (Politics & International Relations)
- Bachelor of Business Analytics
- Bachelor of Business/Bachelor of Business Analytics
- Bachelor of Business/Bachelor of Innovation & Entrepreneurship

Second year entry to your choice of six bachelor's degrees:

- Bachelor of Commerce (Accounting)
- Bachelor of Commerce (Economics)
- Bachelor of Commerce (Finance)
- Bachelor of Commerce/Bachelor of Innovation and Entrepreneurship
- Bachelor of Business/Bachelor of Commerce
- Bachelor of Commerce/Bachelor of Business Analytics

Degree Transfer - Engineering

CRICOS code	104608C
Intakes	20 February or 17 July
Duration	12 months
Program Fee*	\$33,800

COURSE STRUCTURE

Six core courses

- ENGG1003 Introduction to Procedural Programming
- ENGG1500 Introduction to Professional Engineering
- MATH1110 Maths for Engineering, Science and Tech 1
- MATH1120 Maths for Engineering, Science and Tech 2
- Academic English A
- Academic English B

Four directed courses from the following (depending on chosen degree):

- CHEE1000, Process Engineering Principles
- CHEM1010 Introduction to Chemistry 1
- CIVL1100 Fundamentals of Engineering Mechanics
- CIVL1200 Earth Systems
- ELEC1310 Introduction to Electrical Engineering
- ELEC1710 Digital and Computer Electronics 1
- MECH1110 Mechanical Drawing/CAD and Workshop Practice
- MECH1750 Engineering Materials 1
- PHYS1205 Fundamentals of Engineering Physics
- PHYS1210 Advanced Physics 1
- PHYS1220 Advanced Physics 2
- SENG1110 Object Oriented Programming
- SURV1200 Introduction to Surveying

Second year entry to your choice of eleven bachelor's degrees:

- Bachelor of Civil Engineering (Honours)
- Bachelor of Mechanical Engineering (Honours)
- Bachelor of Renewable Energy Engineering (Honours)
- Bachelor of Mechatronics Engineering (Honours)
- Bachelor of Electrical & Electronic Engineering (Honours)
- Bachelor of Computer Systems Engineering (Honours)
- Bachelor of Surveying (Honours)
- Bachelor of Medical Engineering (Honours)
- Bachelor of Chemical Engineering (Honours)
- Bachelor of Software Engineering (Honours)
- Bachelor of Environmental Engineering (Honours)

(QS World University Rankings by Subject 2021)

Degree Transfer - Information Technology

CRICOS code	104610J
Intakes	20 February or 17 July
Duration	12 months
Program Fee*	\$33,800

COURSE STRUCTURE

Six core courses

- COMP1010 Computing Fundamentals
- COMP1140 Database and Information Management
- SENG1050 Web Technologies
- SENG1110 Object Oriented Programming
- Academic English A
- Academic English B

Four directed courses from the following:

- ACFI1001 Accounting for Decision Makers
- ENGG1003 Introduction to Procedural Programming
- MATH1110 Maths for Engineering, Science and Tech 1
- MATH1510 Discrete Mathematics
- SENG1120 Data Structures
- STAT1060 Business Decision Making

Second year entry to your choice of seven bachelor's degrees:

- Bachelor of Information Technology
- Bachelor of Information Technology (Business Technology)
- Bachelor of Information Technology (Systems Development)
- Bachelor of Information Technology / Bachelor of Business
- Bachelor of Computer Science
- Bachelor of Data Science
- Bachelor of Data Science/Bachelor of Computer Science

and Information Systems

(QS World Subject Rankings 2020)

Degree Transfer Extended

If you don't quite meet the academic and English proficiency requirements for the Degree Transfer program, you may have the option of Degree Transfer Extended which includes an extra bridging trimester prior to the Degree Transfer program.

Degree Transfer Extended is available for all streams available within the Degree Transfer Program: Business, Commerce, Engineering, and Information Technology.

Degree Transfer Extended Business	CRICOS 104605F
Degree Transfer Extended Commerce	CRICOS 104607D
Degree Transfer Extended Engineering	CRICOS 104609B
Degree Transfer Extended IT	CRICOS 104611H

Intake	Duration
20 March	16 months
16 October	16 months
Program Fee*	\$36,000 (Business, Commerce) \$40,800 (Engineering, Information Technology)

COURSE STRUCTURE

Five core bridging courses (non-credit bearing) in the first semester:

Business and Commerce Streams

- Academic English
- Accounting
- Economics
- Commercial Law Fundamentals
- Statistics

Information Technology & Computer Science Streams

- Academic English
- Core Mathematics
- Programming
- Computing
- Statistics

Engineering Streams

- Academic English
- Core Mathematics
- Engineering Mathematics
- Computing
- Physics

Upon completion of the initial bridging trimester, students then proceed to the relevant Degree Transfer program and complete ten courses of study over 12 months before progressing to Year 2 of their chosen degree.

High School (Year 12)

Degree Transfer Extended (CIE)

Year 2, University of Newcastle

Pre-Master's Program (PMP)

Our Pre-Master's Program offers a direct pathway for international students wishing to study a range of master's degrees at the University of Newcastle. Upon successful completion of the program, you will receive up to 30 credit points, allowing you to jump straight into the second trimester of your master's degree.

The Pre-Master's Program is taught over two trimesters. In the first Bridging trimester, you'll develop your study and research skills, as well as English academic language in writing, reading, listening, and speaking. By the second Pre-Master's trimester, you'll begin studying university subjects that are part of your chosen master's degree.

Why study the Pre-Master's Program?

- Flexible entry and English language requirements (see entry requirements on page 34).
- Our Bridging to Pre-Master's trimester model means you begin your master's degree after just one trimester, and then upon completion of our Program, progress straight into the second trimester of your master's degree at the University.
- Benefit from extra support to develop your English and academic study skills.
- Feel better prepared for university study, while only adding an additional four months to your degree.

Intake	Duration
23 January	8 months (two trimesters)
8 May	8 months (two trimesters)
21 August	8 months (two trimesters)

Pre-Master's Program - Business

CRICOS code 104612G

Program Fee* \$35,280

The Pre-Master's Program – Business, can be packaged with the following master's degrees:

- Master of Professional Accounting/Master of Business Administration (Sydney campus only)
- Master of Applied Finance
- Master of Business Administration (Available in Newcastle/Sydney)
- Master of Business Administration (Global) (Available in Newcastle/Sydney)
- Master of Health Economics, Management & Policy (20 credit points only)
- Master of Health Economics, Management & Policy (Global) (20 credit points only)
- Master of Health Economics, Management & Policy/Master of Business Administration
- Master of Human Resource Management
- Master of International Business
- Master of Marketing
- Master of Business Administration/Master of Applied Finance
- Master of Business Administration/Master of Human Resource Management
- Master of Business Administration/Master of Marketing
- Master of Business Administration/Master of International Business

Upon graduating with a master's degree in one of these business-related areas from the University of Newcastle, you'll develop an understanding of business and the environments they operate in, and gain desirable skills such as strategic planning and project management. In an increasingly globalised and tech-driven world, business skills are highly versatile and growing in demand, allowing you to access opportunities across a wide range of fields and sectors.

Depending on your chosen degree, your career opportunities will be diverse, including:

- Accountant
- Finance/marketing/healthcare manager
- Investment banker
- Management/business consultant
- Human resources officer/advisor
- Financial advisor

COURSE STRUCTURE

Trimester 1: Five core bridging courses (non-credit bearing)

- Academic English A
- Critical Thinking for Postgraduate Studies
- Intercultural Studies
- Quantitative Skills for Postgraduate Studies
- Study and Research Skills

Trimester 2: English and three credit-bearing courses

- Academic English B

Three of the following credit-bearing courses:

- GSBS6001 Managing Under Uncertainty
- GSBS6002 Foundations of Business Analysis
- GSBS6004 Organisational Behaviour and Design
- GSBS6005 Marketing Management and Planning
- GSBS6200 Financial and Management Accounting

Pre-Master's Program - Business Accelerated

CRICOS code 104612G

Program Fee* \$17,640

The Pre-Master's Program – Business (Accelerated) is a one trimester (four months) version of the Pre-Master's Business Program for students with slightly higher academic and English proficiency levels. You will study Academic English and three master's level subjects that are part of your chosen master's degree. On successful completion of the Pre-Master's Program Accelerated, you'll receive credit for these subjects and jump straight into the second trimester of your degree.

COURSE STRUCTURE

English and three credit-bearing courses

- Academic English B

Three of the following credit-bearing courses:

- GSBS6001 Managing Under Uncertainty
- GSBS6002 Foundations of Business Analysis
- GSBS6004 Organisational Behaviour and Design
- GSBS6005 Marketing Management and Planning
- GSBS6200 Financial and Management Accounting

Pre-Master's Program - Information Technology

CRICOS code	104613F
Program Fee*	\$35,280

The Pre-Master's Program – Information Technology, can be packaged with the following master's degrees:

- Master of Information Technology (Business Analytics)
- Master of Information Technology (Management Information Systems)
- Master of Information Technology (no specialisation)

All of the above degrees are available at either Newcastle Callaghan or Sydney campuses.

Upon graduating with a Master of Information Technology from the University of Newcastle, you will be capable of approaching complex problems with a level head, able to manage IT projects effectively and professionally, and have the technical expertise required to take on positions in electronic commerce, information systems, games development, technology management, health informatics or business systems and management.

Your career opportunities are quite diverse, including:

- Business analyst
- Database developer
- Project manager
- Systems analyst
- Web developer
- Software developer

COURSE STRUCTURE

Trimester 1: Five core bridging courses (non-credit bearing)

- Academic English A
- Critical Thinking for Postgraduate Studies
- Intercultural Studies
- Quantitative Skills for Postgraduate Studies
- Study and Research Skills

Trimester 2: English and three credit-bearing courses

- Academic English B

Select three of the following (depending on major):

- GSB6001 Managing Under Uncertainty
- SENG6110 Object Oriented Programming
- INFT6304 Project Planning and Management
- INFO6050 Process Analysis and Problem Solving
- INFO6001 Database Management 1 (Tri 1)
- INFO6030 Systems Analysis & Design (Tri 2)
- INFT6201 Big Data (Tri 3)

Pre-Master's Program - Information Technology Accelerated

CRICOS code	104613F
Program Fee*	\$17,640

The Pre-Master's Program – Information Technology (Accelerated) is a one trimester (four months) version of the Pre-Master's Program Information Technology, for students with slightly higher academic and English proficiency levels. You will study Academic English and three master's level subjects that are part of your chosen master's degree. Upon successful completion of the Pre-Master's Program, you'll receive 30 credit points and jump straight into the second trimester of your degree.

COURSE STRUCTURE

English and three credit-bearing courses

- Academic English B

Select three of the following (depending on major):

- GSB6001 Managing Under Uncertainty
- SENG6110 Object Oriented Programming
- INFT6304 Project Planning and Management
- INFO6050 Process Analysis and Problem Solving
- INFO6001 Database Management 1 (Tri 1)
- INFO6030 Systems Analysis & Design (Tri 2)
- INFT6201 Big Data (Tri 3)

These master's degrees are available at either Newcastle or Sydney campuses after successful completion of the Pre-Master's Program – Information Technology (Accelerated):

- Master of Information Technology (Business Analytics)
- Master of Information Technology (Management Information Systems)
- Master of Information Technology (no specialisation)

Scholarships

The University of Newcastle College of International Education Scholarships

The University of Newcastle College of International Education is proud to offer our students some of the most generous scholarships available in Australia.

CIE Program Scholarships

We offer a range of scholarships towards the cost of our program tuition fees. These normally represent 10-20% of the total program fee. Our scholarships are awarded automatically and will be listed on your Letter of Offer, if eligible, and do not require a separate application. The exact amount awarded will depend on an applicant's particular background, for example, the grades achieved in high school.

Kaplan Family Bursary

Students with a sibling who also enrolls with The University of Newcastle College of International Education will be eligible for the Kaplan Family Bursary. The bursary provides 10% off the tuition fee of the second sibling to accept the offer and commence studies.

The following Scholarships provide a fee reduction of \$10,000 per year – that's worth up to **A\$50,000!**

Progression Scholarships*

Africa Excellence Scholarship

The University of Newcastle College of International Education students from any of the 54 countries within Africa are eligible for the African Excellence Scholarship once they progress to their chosen degree at the University.

ASEAN Excellence Scholarship

The University of Newcastle College of International Education students from Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Singapore, Thailand, the Philippines, and Vietnam are eligible for the ASEAN Excellence Scholarship once they progress to their chosen degree at the University.

South Asia Excellence Scholarship

The University of Newcastle College of International Education students from Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan, and Sri Lanka are eligible for the South Asia Excellence Scholarship once they progress to their chosen degree at the University.

Onshore Excellence Scholarship

The University of Newcastle College of International Education students who are not eligible for citizenship-based scholarships and who are onshore in Newcastle will be eligible for the Onshore Excellence Scholarship when they progress to their chosen degree at the University.

The following Scholarships provide a fee reduction of \$15,000 per Year.

International Excellence Scholarship (Information Technology and Computer Science)

The University of Newcastle College of International Education students from all countries who progress into any of the following degrees, are eligible for the International Excellence Scholarship (Information Technology and Computer Science) worth **\$15,000** per year.

- Bachelor of Data Science
- Bachelor of Data Science/Bachelor of Computer Science
- Bachelor of Data Science/Bachelor of Mathematics
- Bachelor of Information Technology
- Bachelor of Information Technology/Bachelor of Business
- Bachelor of Computer Science
- Bachelor of Computer Systems Engineering (Honours)/Bachelor of Computer Science
- Master of Information Technology

International Excellence Scholarship (Management, Accounting and Finance)

The University of Newcastle College of International Education students from all countries who progress into any of the following degrees, are eligible for the International Excellence Scholarship (Management, Accounting and Finance) worth **\$15,000** per year.

- Master of Professional Accounting/Master of Business Administration
- Master of Business Administration
- Master of Applied Finance
- Master of Business Administration/Master of Applied Finance
- Master of Business Administration/Master of Human Resource Management
- Master of Business Administration/Master of International Business
- Master of International Business
- Master of Business Administration/Master of Marketing

For more information about our scholarships please email: CIE@newcastle.edu.au.

Living on Campus

The University of Newcastle makes it very easy for students to adjust to university life, whether you choose to live on or off campus. We have a dedicated support team to help students adapt to a new country and studying in Australia. You will make friends quickly with many academic, social and sporting activities each week.

Song Hin Chio
@tinymouz

Living on Campus

Why do more than 1,700 students choose to stay at facilities provided through Student Living every year? It's because we provide great experiences for students on campus.

Students can choose from nine different residences located across our Newcastle Callaghan and Central Coast campuses.

With self-contained apartments, dormitory-style shared accommodation or apartment towers with a cinema, communal commercial kitchens and music rooms, we have many options for student living.

Weekly prices range from **A\$199 (non-catered) through to A\$470 per week (catered)**. See page 7 for details.

Our catering suppliers have Halal certification and can cater for Halal, Kosher or other dietary requests.

Find out more about living on campus.

We are No. 1

Housing Operation of the Year, 2017 and Excellence in Customer Service, 2019¹

Safe and secure

24 hours / 7 days a week security on site and free security shuttle

Leadership opportunities

We employ at least 70 students every year through Student Living

Study support

Dedicated study spaces and mentor-run sessions

Health and well-being support

Counselling, clinic visits, yoga and meditation

Residential mentors

Support from fellow students living on campus

4 types of living environments

Lifestyle, Gender, Postgraduate and General

ResLife program

Award-winning program of social activities²

¹ Housing Operator of the Year 2017, Excellence in Customer Service 2019, Asia-Pacific Student Accommodation Association (APSAA) (The Housing Operator of the Year category was not awarded in 2018 or 2019 and has been discontinued from 2020).

² Excellence in Student Experience 2016, Asia-Pacific Student Accommodation Association (APSAA).

Newcastle campus, Callaghan

Newcastle campus, Callaghan

"As an international student, living on campus is great because it gives you easy access to classes, campus life and the support services available. It is also a safe environment to live in. One of the things that I love most is that you get to create your own family in such a vibrant community – forging great friendships with students from all around the world."

Norasyrin, Singapore
Student Resident – PhD (Education)

Living off Campus

If you would prefer to live off campus, we have a service that can offer free advice to students about shared housing as well as access to a database of current rooms, apartments and houses available to rent.

Homestay

Homestay connects students with local families to live in a home environment. Your host family provides not only accommodation, a furnished room, and daily meals, but also a great opportunity to practise your language skills at home.

Steps to Entry

International students can apply to study through a University of Newcastle College of International Education agent or directly via our application form. Follow these easy steps to secure your place with us.

STEP 1

Complete the Application Form.

STEP 2

Please supply us with the copies of the following:

- Academic qualifications
- English proficiency document
- Passport

STEP 3

Submit your application.
Send your completed application form and certified documents via email to admissions-CIE@newcastle.edu.au.

STEP 4

Application Review.
We will review your submitted application and supporting documents. If they are accepted, you will receive a Letter of Offer.

STEP 5

Accept your offer.
Please sign and return the written acceptance of your offer to the CIE Admissions Office, together with evidence of payment for the amount stated within the Letter of Offer.

MEDICAL CONDITIONS

Do you have a disability, impairment or long-term medical condition which may affect your studies? ☐ Yes ☐ No
If yes, please provide medical documentation (must be in English or officially translated into English) from a relevant treating professional detailing the impact of your condition on your ability to meet academic demands. Disclosure will not disadvantage your application and is confidential. The information you provide will assist us in best catering for your needs. Personal information collected in this section may constitute 'sensitive information' under applicable privacy legislation. Please indicate your consent regarding the handling of that information by the College (including Kaplan Higher Education Pty Ltd), The University of Newcastle and other relevant entities (including Kaplan's associated entities).

PRIVACY NOTICE

The University of Newcastle College of International Education understands and respects that privacy is important to you. We collect personal information about you so that we can provide you with the services you have requested. We may also use your information to improve our products and services and offer you our, or our partners' or suppliers', products and services which may be relevant to you. We may disclose personal information about you in accordance with our Privacy Policy (available at internationalcollege.newcastle.edu.au), including to your education agent and the Australian government. Our privacy policy contains information about how you can access and correct the personal information we hold about you, or make a privacy complaint. You may contact the Privacy Officer (privacy@kaplan.edu.au) for more information. In regard to promotional material, please indicate below.
☐ I do not want to receive communication in any format from the University of Newcastle College of International Education sent on behalf of its sponsors, partners or suppliers, or
☐ I do not want to receive communication in any format from the University of Newcastle College of International Education about its own publications, information and events.
☐ By checking this box, I confirm that I am 16 years of age or older, and explicitly consent to the collection, storage, use, transferring, disclosing and other handling of my sensitive personal information in connection with, and for the purposes of, my application and study.

DECLARATION

I have read, understood and agree to be bound by the Terms and Conditions of enrolment. I declare that I have read the instructions on this application form and that, to the best of my knowledge, the information provided by me is true and complete in every particular. I acknowledge that the University of Newcastle College of International Education and the University of Newcastle may vary or reverse any decision regarding admission or enrolment made on the basis of incorrect or incomplete information provided by me. I give permission to the University of Newcastle College of International Education to verify or obtain records from other educational institutions that I have attended. I understand that I am seeking temporary entry into Australia for educational purposes only as a fee-paying student. I understand that if I change my visa status, I may be subject to different rules and conditions. I understand the above conditions and am prepared to accept them in full. In particular that I, or my sponsor, will be responsible for the full costs of the academic program for which I am seeking admission, as well as the associated travel and living costs. I give permission to the University of Newcastle College of International Education to provide information to my parent(s) or guardian(s) and my agent regarding my application for admission to the program listed above
☐ I confirm that I am 16 years of age or older and consent to the College (including Kaplan Higher Education Pty Ltd), The University of Newcastle and other relevant entities (including Kaplan's associated entities), in connection with and for the purposes of my application and study:
☐ collecting, storing, using, transferring, disclosing and otherwise handling my personal information (including sensitive information);
☐ providing my personal information to any other data controllers or data processors for processing my personal information (including sensitive information);
☐ disclosing my personal information (including sensitive information) to relevant authorities as authorised or required by applicable laws and regulations; and
☐ I am NOT located in the People's Republic of China OR ☐ I AM located in the People's Republic of China and I consent to transferring and sharing my personal information (including sensitive information) outside the People's Republic of China.

THE UNIVERSITY OF NEWCASTLE COLLEGE OF INTERNATIONAL EDUCATION STUDENT APPLICATION FORM

**COLLEGE OF
INTERNATIONAL
EDUCATION**

TERMS AND CONDITIONS

1. GENERAL TERMS AND CONDITIONS

These Terms and Conditions are applicable to all students studying at the University of Newcastle College of International Education through Kaplan Higher Education Pty Ltd ABN 85 124 217 670 (the 'College') including English Language Programs delivered by the College (CRICOS 03127E) and Foundation Studies, Degree Transfer and Pre-Master's programs delivered under agreement with the University of Newcastle (CRICOS 00109J).

- 1.1 Policies and procedures: All College students are subject to the policies and procedures that are published on our website (currently available at internationalcollege.newcastle.edu.au) and in the College student handbook, including those dealing with student misconduct, assessment, progression, enrolment deferral and cancellation, complaints and appeals, and refund. Students must review these policies and procedures and ensure they understand and comply with the most up to date version of our policies and procedures at all times.

- 1.2 Late arrivals, vacations and absences: All students are expected to attend class from the first day of their program. No refund is given for time missed due to arrivals after the published program commencement date, vacations, absences or public holidays. Such periods of absence will not be replaced by a free extension of any program. No refunds or substitutions will be made for classes missed due to non-College external exams, excursions, orientation period or other obligations that fall outside the normal teaching schedule. Classes are not held, and many campus facilities are closed, on public holidays. All published program dates start on a Monday, but if the Monday is a public holiday, the program start will fall on the Tuesday. Students may request written permission for late arrival up to 2 weeks* from their published program commencement date. Students who propose to arrive 2 or more weeks after the program commencement date will be required to catch up on the work that they have missed. While every effort will be made to assist the student to catch up on program content, the student is ultimately responsible. Late arrivals will be assisted with registering and joining the program. The student will have a responsibility to undertake an online orientation upon commencement. *Some programs may have up to 1 week late arrival only.

- 1.3 Campus facilities: Students are advised that campus facilities may not be available during study breaks. Details are available from the Student Services Team or Reception staff at the College.

- 1.4 Placement: The College may place a student into the most appropriate class and to postpone subjects/ courses to the following semester/trimester where there is an insufficient number of students for that class or subject/course.

- 1.5 Program changes: The College may change program dates, program curricula, tutors and programs at any time at its discretion. However, in cases where the program is rescheduled before the first class and the new date is unacceptable to the student, all unused tuition fees will be refunded.

- 1.6 Tuition fees: The student, or if the student is under 18 years old then the student's parent/guardian, agrees to pay the total tuition fee and any additional charges in accordance with the fee schedule for the current year published on our website (currently available at internationalcollege.newcastle.edu.au). If the College does not receive payment in full from a Student for all enrolled subjects within the first two weeks that Student will have their enrolment cancelled. All refunds are made in accordance with the College Refund Policy. Tuition fees include lessons, orientation, placement and progress testing and a College certificate or transcript upon successful completion of the program. The College may withhold the granting of a certificate or transcript from a student if the student's tuition fees or any other fees remain outstanding.

- 1.7 Repeat payment: Students repeat a course/subject or courses/subjects or semester/trimester will incur charges based on the current year's published tuition fees at the time of payment.

- 1.8 Late payment: A fee of AUD 100 applies on unpaid accounts 30 days after the date the payment was due.

- 1.9 Books and materials fees: Students may be required to purchase textbooks, workbooks, stationery, software and other required learning materials at an additional cost. Details of any additional costs are in the College student handbook or the relevant program or unit outline.

- 1.10 Additional services: Any additional services (such as travel, telephone costs, excursions, medical costs, special diet, non-College exams and enrolment amendments) are not included in any fees unless specifically stated on a valid invoice from the College. Students wishing to arrange homestay accommodation and/or airport transfer can obtain further information at internationalcollege.newcastle.edu.au.

- 1.11 Privacy: Personal information collected by the College or the University of Newcastle, which includes information that identifies a student and information regarding a student's program progress and attendance, may be shared by or between the College and the University of Newcastle and by either of them with the Australian government, or State and Territory governments, and their designated authorities, the Tuition Protection Scheme, the agent that recruited the student (unless specifically excluded), the student's parents (if under 18), College staff and contractors, and between the College and the University of Newcastle and related body corporates of the College and their staff, contractors and insurer. This information may include personal information about you which is considered sensitive information, contact details, program enrolment details and changes, program results, and the circumstance of any suspected breach by the student of a visa condition. The College's Privacy Policy outlines further information about the handling of personal information by the College at internationalcollege.newcastle.edu.au. You may contact our Privacy Officer at privacy@kaplan.edu.au if you have any enquiries about your personal information or if you wish to make a privacy complaint.

- 1.12 Medical costs: The College is hereby authorised to seek medical treatment should the College or a staff member acting on its behalf consider such action necessary for a student. The student agrees to indemnify the College for any expense, loss, damage or liability whatsoever suffered or incurred as a result of authorising and arranging such emergency medical treatment.

- 1.13 Photography, filming and sound recording: The College or its representatives may arrange to photograph or shoot video footage of students for promotional or marketing purposes, in print and/or online, at any time, including during graduation ceremonies. Any student who does not wish to participate should advise the College staff or its representative at the time of booking and state at the time of the photographing or video shooting that they do not wish to participate, and remove themselves.

2. THE UNIVERSITY OF NEWCASTLE FEES

- 2.1 The University of Newcastle program fees will depend on the student's choice of undergraduate or postgraduate degree program and point of entry. Further information is available on the University of Newcastle website, currently at www.newcastle.edu.au.

3. DEFERRAL, SUSPENSION AND CANCELLATION OF ENROLMENT

- 3.1 A student may apply to defer their studies on the grounds of compelling or compassionate circumstances such as their own ill health or that of a very close relative. All applications for deferral from a program of study must be made in writing or using the relevant form available from the College. Students should refer to the College's Deferral, Suspension and Cancellation of Enrolment Policy (currently available at internationalcollege.newcastle.edu.au) for details of the circumstances in which their enrolment may be deferred, suspended or cancelled, before submitting their application.

- 3.2 A student's enrolment at the College may be suspended or cancelled in accordance with the College's Deferral, Suspension and Cancellation of Enrolment Policy (currently available at internationalcollege.newcastle.edu.au), including on the grounds of misbehaviour by the student, the student's failure to pay amount(s) owing to the College in accordance with this agreement or a breach of program attendance or progression by the student.

4. REFUNDS

- 4.1 The College's Refund Policy is (currently available at internationalcollege.newcastle.edu.au). All students must read the Refund Policy before accepting an offer of admission from the College. Students requesting a refund are required to do so in accordance with the Refund Policy. Approved refunds are paid in Australian dollars into the same bank account it was paid from. Tuition fees are not transferable to other students.

5. INTERNATIONAL STUDENTS

- 5.1 Visa information: It is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport for their whole period of study. The student may be asked to make payment for their first study period before any of their visa documentation is issued. A Confirmation of Enrolment

(CoE) may not be issued by the College until payment for the first study period has been received as per the Offer of Admission and the enrolment agreement has been signed and returned to the College by the student. The enrolment agreement includes reference to the pre-arrival information and grievance procedures information.

- 5.2 Student visa obligations: Student visa holders are required to maintain compliance with all applicable visa conditions including providing the College with a current residential address, mobile number, email address and who to contact in emergency situations, as well as notifying the College of any change in these details within 7 days of the change, maintaining satisfactory academic progress and attending a minimum of 80% of their program. Students that fail to commence their enrolled program or fail to meet the requirement for 80% attendance or satisfactory academic progress will be reported to the Department of Home Affairs. Any school-aged dependents accompanying overseas students to Australia will be required to pay full fees if they are enrolled in either a government or non-government school.

- 5.3 Health insurance: Health insurance is compulsory for student visa holders and their accompanying family members. Students are required to provide proof of health insurance at the time of their enrolment. Students will not receive a Confirmation of Enrolment (CoE) until they have obtained satisfactory health insurance for the length of their visa. The Australian government requires all students on student visas to join the Overseas Student Health Cover (OSHC) scheme, a health insurance plan for overseas students in Australia. Students must ensure that payment is made for compulsory OSHC before their visa is issued and that the insurance provides adequate coverage for the duration of the student's visa.

- 5.4 Codes of practice: The College abides by the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018 (the National Code) and the Educational Services for Overseas Students Act 2000 (Cth) (ESOS Act). Further information about the National Code can be obtained at internationaleducation.gov.au/regulatory-information/.

- 5.5 Living expenses: Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. Further information can be obtained at www.studyinaustralia.gov.au or www.homeaffairs.gov.au.

6. CONSUMER PROTECTION

- 6.1 These Terms and Conditions, and the right to make complaints and seek appeals of decisions and actions under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.

- 6.2 Students will be advised of any changes to these Terms and Conditions that may result from a directive of the governing body of the College or the University of Newcastle, or from a change in government legislation or regulation. Any dispute, claim or other matter arising will be subject to the laws of New South Wales.

- 6.3 Students who are dissatisfied with a decision made by the College may submit a complaint to the College in accordance with the relevant College Grievance Policy (currently available at internationalcollege.newcastle.edu.au). If a student is dissatisfied with the outcome of a complaint and subsequent appeal, they may also submit an application for review of the College's decision or action to the New South Wales Ombudsman (www.ombo.nsw.gov.au/).

7. DECLARATION

- 7.1 Upon submitting an application to the College, and subsequently undertaking any study at the College, the student (or their authorised representative on the student's behalf – if the student is under 18 years of age):

- 7.1 Declares that the information provided in their application form is true and complete in every detail.

- 7.2 Understands that giving false or incomplete information may lead to the refusal of their application or cancellation of their enrolment.

- 7.3 Has read and understood these terms and conditions, the published information in the College brochure and on the College (and the University of Newcastle) website and has sufficient information about the College to enrol.

- 7.4 Authorises the College or its representatives to retain their photo image for identification purposes and consents to the use of any photographs or video footage taken of the student for promotional or marketing purposes, in print and/or online (including at a graduation ceremony), at any time without further consent or notification. Any student who does not wish to participate should advise the College at the time of the photographing or video shooting of their wish not to participate and will remove themselves.

- 7.5 Authorises the College to provide the University of Newcastle, or any other educational institutions to which the student is seeking admission, any required relevant official records and other personal information relevant to their application or studies. The student also gives the College permission to obtain official records from any educational institution the student attends or has attended and from the University of Newcastle after their studies at the College have finished.

- 7.6 Authorises and consents to the College to validate his/her qualifications and release copies of academic transcripts to prospective employers, when/if required.

- 7.7 For international students, the student understands that the College will collect information during their enrolment in order to meet its obligations under the ESOS Act and the National Code and to ensure the student complies with the conditions of their visa and the student's obligations under Australian immigration laws. The authority to collect information is contained in the ESOS Act, ESOS Regulations and the National Code. The international student authorises the College to provide information including personal and contact details, program enrolment details, and the circumstances of any suspected breach of their student visa conditions to the Australian Government, the Tuition Protection Service (if relevant) and any other designated authorities. The student also understands that this information can be disclosed without their consent where the College is authorised to or required to by law.

- 7.8 Understands and consents to the collection and handling of personal information (including sensitive information) in accordance with (as applicable) (a) the College's Privacy Policy (available at <https://internationalcollege.newcastle.edu.au/>) for personal information handled by the College in Australia; (b) Kaplan's Privacy Policy (available at <https://www.kaplanpathways.com/privacy/>) for personal information handled outside of Australia by associated entities of Kaplan Higher Education Pty Ltd; and/or (c) Kaplan's 'Personal Information Protection Policy' (available at <https://www.kic.org.cn/privacy/>) for personal information about individuals located in the People's Republic of China.

- 7.9 Accepts liability for payment of all relevant fees identified in these Terms and Conditions, the College brochure and on the College (or the University of Newcastle) website. The student also understands the circumstances in which refunds will not be applicable as set out in these Terms and Conditions, including the College's Refund Policy, and that fees may increase with notification from the College during the program. For international students, the student has also read the information provided in relation to living expenses and they understand that the cost of living in Australia may be higher than in their own country, and the student confirms that they can meet those costs.

- 7.10 Understands and agrees to abide by all the College policies and procedures (currently available at internationalcollege.newcastle.edu.au).

- 7.11 Agrees to notify the College of their contact details, including their current residential address, mobile number (if any) and email address, and who to contact in emergency situations. The student also agrees to notify the College of any change in those details within 7 days of the change.

- 7.12 Acknowledges that the College reserves the right to change terms, conditions or policies without prior notice in order to meet its legislative requirements, or to follow directive of the governing body of the College or the University of Newcastle and agrees to keep themselves up to date with the changes occurring by checking regularly the website and/or speak to staff at the College.
