ESTABLISHMENT

Joblink Plus is a for-purpose, not-for-profit organisation providing employment services and vocational training. We deliver to a range of communities across rural and regional NSW, covering around 70% of the state. Joblink Plus places approximately 11,000 people into employment annually. We support communities through direct contributions, social enterprise, and volunteering. We partner with a diverse range of organisations with shared values, including health initiatives as well as various youth and Indigenous programs. Our purpose is to believe in and provide support to all people, connecting them to the dignity and fulfilment made possible through education and meaningful work.

In collaboration with the University of Newcastle's Pathways and Academic Learning Support Centre, Joblink Plus has established this scholarship to support and facilitate inclusive, broad and equitable access to university for people who may not otherwise have a connection to tertiary education.
