

# 2024 COMMONWEALTH SUPPORTED STUDENT CONTRIBUTIONS

## CONTINUING STUDENTS

The below table shows maximum student contribution amounts for a student place (equivalent full-time student load) under grandfathering arrangements from 2021.

Under these arrangements, students who commenced their course of study before 1 January 2021 facing increased student contribution amounts for a course will instead have their student contribution amounts remain as they were under the previous arrangements. If continuing students are enrolled in units that will see their student contribution amount lowered under the new arrangements, their student contributions will be the lowered amount.
