INTERNATIONAL
EDUCATION**

2024 International Prospectus

internationalcollege.newcastle.edu.au

Welcome

We are delighted that you are interested in studying with us at the University of Newcastle, Australia. As a University ranked amongst the top 175 Universities in the world¹, it is our mission to provide a world class education to our students.

With almost 37,000 students from more than 100 countries, our campuses in Newcastle, the Central Coast, Sydney and Singapore reflect the cultural diversity of our students. Every one of our international students brings diversity and new perspectives to our University.

It is our priority to support students from all backgrounds and our University is a place where you can succeed, feel welcome and enjoy an incredible student experience.

Students at our University are taught by some of the best teachers and researchers in the world who have real-world experience. Our teachers work collaboratively with industry and our community, and we have embedded practical learning experiences into all of our study programs. This connects our students with industry and offers real-world learning opportunities – giving you a competitive advantage for employment after you graduate.

Our University is committed to solving real-world problems locally and globally. We have a proud history of achievement that has led to strong outcomes in international university rankings.

We show leadership on important social issues and our students have told us that they value the importance we place on creating a better future. We are ranked Top 30 in the world for Impact², recognising that a sustainable future can only be realised with shared vision, strong partnerships, and cooperation.

We recognise our role in addressing climate change and we take our responsibility seriously. To support this, we

are investing in research into next-generation energy and resources. We are also taking steps to minimise our own impact on the planet. Our campuses are powered with 100 per cent renewable electricity and we are on track to achieving our goal of being carbon neutral by 2025.

We also welcome you to Newcastle – a vibrant, creative city with a friendly, welcoming community. In partnership with the City of Newcastle, the University of Newcastle has launched an International Student Ambassador initiative to welcome and orientate international students and their families to life in Newcastle. Together we aim to cultivate a culture of belonging for all international students living and studying in Newcastle.

The University of Newcastle established the College of International Education to provide international students like you with a pathway to join our University. Through the College, we have created an environment of support where you can grow and will be prepared to succeed with your studies. If you are looking for a University where you can make a difference and be inspired by leading educators who are working to create a better future, there is a place for you at the University of Newcastle.

Professor Alex Zelinsky AO
Vice-Chancellor and President

The University of Newcastle College of International Education

Thank you for your interest in the University of Newcastle College of International Education.

Newcastle is one of Australia’s most under-rated cities yet it offers students one of the best study experiences in the world. As the seventh largest city in Australia, you can expect to find everything that a big city offers but with a more relaxed vibe. It is an affordable, clean, safe and vibrant city to study, live and work. It is also a city in the middle of an exciting urban renewal, with billions of dollars of investment behind a construction boom that is changing the city’s skyline.

This is your first step towards your undergraduate or postgraduate study at the University of Newcastle – now ranked in 175 in the world¹.

We know that moving to a new city can be exciting but challenging. Our dedicated and friendly Student Experience team are here to ensure you are supported throughout

your time at the College. They can assist you with program advice, information about campus events, accommodation options, and transitioning to the University.

Our team of experienced teaching staff are looking forward to meeting you, and giving you the confidence and knowledge you need for University studies. Beyond academic excellence, our college community fosters a vibrant and welcoming atmosphere. Engaging in a range of extracurricular activities, cultural events, and sports, you will have ample opportunities to discover your passions, develop leadership skills, and create memories that will last a lifetime.

On behalf of all our staff at the University of Newcastle College of International Education, I extend a personal welcome to you. The College is a wonderful place to study and I am confident that you will enjoy your time here with us.

Jonathan Hunter
College Director

Welcome to our International Students

¹ QS World University Rankings 2024.

Why study with us?

Choosing to study at the University of Newcastle can give you a competitive advantage for your future career. Here are some of the top reasons to study with us.

1 Study at a top 175 university in the world¹

You will have access to world-class programs, inspiring and collaborative learning environments, and opportunities to put theory into practice with real-world experiences.

Learn from our passionate and talented teaching staff who have strong industry connections and experience.

2 Build your professional networks and connect with our industry partners

All degrees have an embedded Work-Integrated Learning component. We offer the chance to tap into the University's industry connections for practical work experience, greater connection with local, regional and national industry partners, and the opportunity to grow your professional network, unlocking opportunity for professional growth and development.

39,096

students from 98 nations including 5,242 international enrolments⁴

3 Gain additional post-study work opportunities in Australia

The Australian Government allows students who meet the study and skills criteria to stay temporarily in Australia after they complete their studies to gain valuable work experience in Australia. To promote in-demand industries and living and working in regional areas, students who choose to study with us may be eligible to stay up to 6 years depending on the chosen degree, level of Australian study qualification and location².

4 Experience more career opportunities and earn higher salaries

More than 89.8% of our undergraduates and 93.3% of our postgraduates gain employment within four months of completing their studies. Our students start post-study work with higher salaries than the Australian average³.

A\$66,800

median starting salary for undergraduate employment - above the national average³

A\$100,000

median starting salary for postgraduate employment - above the national average³

5 Study free from distraction in a welcoming setting

Newcastle and the Central Coast have the convenience and benefits of a big city, without the usual distractions from study. All campuses have dedicated study spaces to allow students to focus. Our strong industry partner connections throughout Australia provide benefits for students from all study areas.

6 Enjoy a more affordable Australian study experience

For study and living, Newcastle and the Central Coast are more affordable than most major cities in Australia. We also run workshops and classes to help you find part-time work while you study. With a range of international scholarships, there are many affordable ways to study with us.

Top 175
university in the world¹

7 Engage in practical learning experiences while you study

We have practical learning experiences in all of our study programs. This ensures you will be well prepared for work environments, and ready to take on new challenges.

8 Be part of a vibrant student community

Our international and domestic students love studying at our beautiful campuses. With friendly support services and staff, we help make your stay safe and secure, so you can focus on your study and gain unforgettable experiences in Australia.

About Newcastle

Located on Australia's eastern coast, just 160 kilometres north of Sydney, Newcastle is situated in the Hunter Region, which is the leading regional economy in Australia.

The city centre is next to both Newcastle Harbour, the busiest energy port in the world, and some of the world's most beautiful coastline with views of the Southern Pacific Ocean.

Newcastle is home to a thriving community. It enjoys a subtropical climate with long, warm summers and short, cool winters.

Newcastle

A connected place to study

Newcastle is a vibrant coastal city with restaurants, cafes and pubs. It is the second largest city in the state of New South Wales, 2 hours north of Sydney. There are many events and things to do and you will be warmly welcomed to explore the Australian lifestyle and culture.

For international students, Newcastle is:

- more affordable than other major cities
- a vibrant city
- friendly and safe
- great for work opportunities

Work opportunities

Post study work opportunities are available in Australia after successful completion of study⁴

Nearby Newcastle

Surrounding Newcastle are regional attractions including:

- Lake Macquarie - Australia's largest coastal saltwater lake
- Port Stephens - a collection of seaside villages with beautiful sand dunes
- Hunter Valley - stunning vineyards, valleys and gourmet eateries
- Barrington Tops - a world-heritage listed rainforest popular for bushwalking, kayaking, abseiling and mountain biking

Newcastle ocean baths

Entertainment

There are many low-cost and free activities for you and your friends around the city.

Here are some ideas to start with:

- Rent a bike, ride along the coast and watch for whales in winter
- Newcastle enjoys a vibrant live music scene
- Go hiking or spot wildlife at Blackbutt Nature Reserve or the Hunter Valley Zoo
- Grab some fresh produce or a bite to eat at Newcastle City Farmer's Market
- Explore arts and history at Newcastle's Museum, Art Gallery or Civic Theatre
- Be spotted for talent, singing your heart out at karaoke nights at venues across Newcastle
- Go for a dip at one of Newcastle's world-famous beaches or swimming baths
- Enjoy a boutique shopping experience on Darby Street or visit our major shopping malls

To find other activities around Newcastle, go to visitnewcastle.com.au/events

Job opportunities

Supporting over 297,900 jobs, there are many part-time and full-time employment opportunities within Newcastle¹. The major industries operating within the region include Health Care and Social Assistance, Education, Training, Retail Trade, Construction and Accommodation, Professional, Scientific and Technical Services and Food Services, to name a few.

With a growing population of more than 774,500 people, the Hunter Region supports 297,901 jobs and has an annual economic output of

A\$129.541 billion¹

1 REMPLAN Economy, Hunter Region 2022. 2 Food suggestions were correct at time of printing, please check online for up-to-date information.

3 Australian Airports Association (AAA), 2021. 4 Department of Home Affairs.

Food

With a range of mouth-watering restaurants, bars and cafes, Newcastle has cuisines to suit all tastes. The two main destinations for food lovers are Darby Street in Cooks Hill and Beaumont Street in Hamilton. Here are some local favourites² to try:

- Darby Street - Goldbergs, Three Monkeys or Autumn Rooms (cafés), Kai Fan Chinese Restaurant or Darby Raj (Indian)
- Beaumont Street - Mockingbird (café), In Forno (Italian), Kings XI (Indian), Bangkok Nights (Thai) or Eight Buns (Chinese)
- Elsewhere in Newcastle - Ginger Meg's (Asian fusion), MEET (Brazilian), Sapphire Indian, Glebe Takeaway (fish and chips) or Habesha Restaurant (Ethiopian)
- Best beach views - try cafés including Estabar, Newcastle Beach Kiosk or Merewether Surfhouse

Cooking a dish from home? There are many multicultural grocers and shops to find all your favourite ingredients. Try Young Asian Grocery, Kwon Mart, Raj Spices, House of Asia, Kairali or Bibina to name a few.

Sport

The people of Newcastle, known as *Novocastrians*, love a range of sports. You can get involved and:

- Watch the Newcastle Knights (rugby league) or the Newcastle Jets (football) at McDonald Jones Stadium
- Play cricket, tennis, netball, basketball, baseball, hockey, badminton, football/soccer and more around the city
- Swim indoors or outdoors, at swimming pools, coastal baths or patrolled beaches
- Work out with student discounts at The Forum gyms based at Callaghan campus and in the city

Connectivity and getting around

Smart technology

Smart parking app, next-gen streetlight technology and interactive help screens.

Connected

Free high-speed public WiFi in the CBD and apps with real-time information.

Public transport

Trains, trams and buses safely connect our campuses to the city and beach.

Free shuttles

The University offers free shuttles between its Newcastle campuses, and shuttles from Newcastle Callaghan to nearby local shops.

Newcastle Airport

Frequent direct flights to major Australian cities and upgrades to the international terminal due to be completed by the end of 2024. Awarded Australia's Best Major Airport in 2021³.

The University offers free airport transfer from both Newcastle and Sydney airports for newly arrived international students. For more information and book this service, visit: newcastle.edu.au/study/international/register-your-arrival

Visit Newcastle.

Living with us

The University of Newcastle makes it very easy for students to adjust to university life, whether you choose to live on or off campus. We have a dedicated support team to help students adapt to a new country and studying in Australia. You will make friends quickly with many academic, social and sporting activities each week.

"The University campus is safe and welcoming. I stay in a shared apartment on campus. It is a great way to meet new friends. I really like the shared lounge and dining area. It allows me to invite my friends over for a movie night or a game night, so we can relax and decompress after a long day at school. There is a free shuttle bus that takes me to the city campus for classes. It is very convenient."

Teola Tadiwanashe Makumbe, Zimbabwe
Foundation Studies in Medicine

Find out more about
Accommodation

Living on campus

We know students need secure, affordable and comfortable accommodation when they are studying. Our campuses are home to around 1,800 students from across Australia and the world.

We offer a range of customised living options, from self-contained apartments, dormitory-style shared accommodation and modern apartment buildings.

Our shared facilities are world class, boasting a cinema room, communal commercial kitchens, swimming pools and more.

Weekly prices range from **A\$183 (non-catered) through to A\$403.50 per week (includes dinner meal service)**.

See page 15 for details.

Our catering suppliers have Halal certification and can cater for Halal, Kosher or other dietary requests.

Living off Campus

If you would prefer to live off campus, we have dedicated Accommodation Officers to help international students find a place to live, including advice on current rooms, apartments and houses available to rent.

Homestay

The Australian Homestay Network is our preferred provider for our students. Homestay is an excellent option for living with local families in a home environment. Your host family provides not only accommodation, a furnished room, and daily meals, but also a great opportunity to practise your language skills at home and can help ease the transition into Australia and Newcastle.

For the most up-to-date fees, please visit our website.

* Homestay for other campuses available and accommodation fees vary.

Our campuses

The University of Newcastle offers safe, friendly and secure campuses with a range of innovative facilities for you to make the most of your study experience in Australia. You will learn from world-class educators and interact with local and international students and experience the Australian culture and way of life.

▶ Check out our campuses.

Newcastle (City)

In the heart of the CBD, our Newcastle City campus, found on Awabakal and Worimi lands, provides an integral link with industry in creativity, business and law. Home to the University of Newcastle School of Law and Justice and Newcastle Business School, NUspace harnesses the latest in technology and innovation to deliver a world-class student experience. Immerse yourself in the marketing lab, explore our Greater Bank Finance Lab or find yourself in a moot court experience - opportunities are endless.

Overlooking Newcastle harbour, Q building is home to our Creative Industries programs within our School of Humanities, Creative Industries and Social Sciences, as well as our Integrated Innovation Network (I2N) Hub. Enrich your learning experience with specialised studios and technologies, and shared spaces to connect with staff, industry, and community.

Located just a few minute's walk from Q building, NUsport at The Forum Harbourside offers leading health and fitness facilities in a convenient location, so you can stay healthy while you study.

Sydney (City)

Our Sydney campus, located on Eora land, in the middle of Sydney's central business district, offers world-class facilities and innovative styles of learning. A range of postgraduate programs are offered at this campus including Information Technology, Business Administration and Professional Accounting. The courses have been developed by industry professionals and include applied learning to better prepare students for actual industry settings. Both the campus and programs are designed to meet the business needs of today, so that students can solve the challenges of tomorrow.

Newcastle (Callaghan)

Our Newcastle Callaghan campus, located on Awabakal land, is a central hub for education, humanities, social science, and the fields of science, technology, engineering, mathematics, and medicine (STEMM), as well as nursing and health. The region's largest hospitals, the Hunter Medical Research Institute, schools, early childcare facilities, and local defence and industrial hubs are all in close proximity. With all this on your doorstep, you will have plenty of chances to meet industry leaders and build practical skills. Also located at our Newcastle (Callaghan) campus, NUsport at The Forum offers state-of-the-art health and fitness facilities and programs to help maintain your physical and mental wellbeing.

📍 Newcastle Callaghan campus

More than
A\$125 million
 invested into the Newcastle City
 campus over the past five years

Central Coast (Ourimbah)

Only an hour drive from Newcastle or Sydney, our Central Coast campus at Ourimbah, found on Darkinjung land, offers study programs in business, education, humanities and social science, oral health therapy, podiatry and science (food and human nutrition, coastal and marine, environmental management, and exercise and sport science).

Central Coast (Gosford)

Strategically located on the grounds of Gosford Hospital, our world-class University of Newcastle Central Coast Clinical School, found on Darkinjung land, has transformed the region into a leader in health, research, innovation and education.

Our state-of-the-art facility offers an immersive learning environment with a three ward simulation centre, anatomy and histology laboratory, research laboratories, virtual reality spaces and more.

Our students benefit from strong links with local industry and partnerships with the Central Coast Local Health District for nursing and specialised health degrees.

Campus Life

On campus you'll have plenty of opportunities to have fun, meet new people, make lifelong friends and experience new things.

 newcastle.edu.au/campuslife

Cafés and Live Music

Whether you're looking for a good coffee to kickstart your day, a bite to eat or a place to relax in between classes, we've got you covered. You'll be able to choose from a wide range of cafés, food outlets and bars across all our campuses. And you don't have to venture too far to catch some of the world's biggest musicians and bands. Chances are you'll find a gig at Callaghan's Bar on the Hill, one of the many venues close to the Newcastle City campus, or further down the coast at The Beery in Terrigal.

Festivals and Events

No matter which campus you study at, there's always something happening during the semester. From Orientation to Autonomy Party and plenty of events in between, there's no shortage of social activities. Take part in study workshops, get involved in health and fitness programs, attend presentations from international scholars, or simply kick back and enjoy watching a movie by moonlight.

Clubs and Societies

The University is home to over 150 clubs, societies and social groups who are always looking for new members. Are you a budding basketballer? Art appreciator? Diver? Dancer? Anime enthusiast? Be part of something new, something exciting. Challenge yourself, or just have fun. unsa.org.au/clubs

Staying Active

Great health and fitness facilities await you at The Forum University (Callaghan campus) and Harbourside (Newcastle City campus). You'll find a 50m indoor heated swimming pool, extensive group fitness options and state-of-the-art strength and cardio equipment. Indoor courts provide for casual hoops and structured social sport competitions all year. Join one of many sporting clubs or compete in the representative inter-University competition – UniSport Nationals.

theforum.org.au

There are plenty of outdoor spaces with sporting fields, shared paths and dedicated fitness trails on campus. You will find yourself playing football at Callaghan campus to beach volleyball at the Nobby's beach, just a 20 minute walk from our NUspace campus.

Getting Around

Access via train is available for both Callaghan (Warabrook station) and Central Coast (Ourimbah station) campuses. If you're studying at our Newcastle City or Honeysuckle campuses, the Newcastle Light Rail's Civic stop is right at our doorstep.

Beautiful bike paths make riding around campus fun, and our bike hubs at Callaghan and Newcastle City campuses offer showers and secure storage.

A free shuttle bus loops around Callaghan campus to get you to and from class and runs between our Callaghan and Newcastle City campuses every 30 minutes during semester.

An after-hours, on-call security shuttle is also available at Callaghan campus. The shuttle can take you back to your car or to Warabrook train station and surrounding suburbs.

Services On Campus

We offer several additional services across our campuses to make student life easier including:

- ATMs
- medical centre and pharmacy
- post office
- book shop and other retailers
- childcare
- counselling

newcastle.edu.au/services

Campus facilities

Located in the heart of the city, NUspace is only a short walk away from the stunning beaches, the main shopping precinct and the heart of entertainment in Newcastle.

Student Services

You can meet with our Student Experience team at any time to discuss any challenges or concerns that may arise.

What can the Student Experience team do for you?

- Connect you with academic support
- Provide you with program and enrolment advice
- Assist with degree choices and course selection
- Provide welfare support for personal issues (including confidential counselling)
- Help you manage your time and deal with study pressures
- General study and motivation assistance
- Help with accommodation – homestay, on-campus and off-campus
- Support for students under the age of 18
- Connect you with clubs, societies and peers to help you build your social networks

Learning support

We have students from all over the world, and to ensure you have the best opportunity to reach your potential our tutorial support sessions are part of your study program. Ask your Student Experience Team for more details.

Making friends

With NUspace being in the heart of the city, our students are able to take advantage of the educational, recreational and social facilities in and around the University building. Students can meet at NUspace Cafe or Darks Coffee. They can also join the University-run NUmates program to develop friendships with other international students.

Social Activities

The Student Experience Team organises regular events in and around the University for international students to broaden their experience, enhance their social networks and provide support and guidance to other internationals.

Computer access

Computer suites and wireless internet are available to all College students. There are a number of computers available to use anytime at each campus.

Library

The main library is in the city campus NUspace, located on the first floor. Our students have access to all its resources, systems and support services. If you are on a different campus, you will still have access to the full service and resources of the library. Find out more at newcastle.edu.au/library.

Introducing our Programs

Foundation Studies

Our Foundation Studies Program is your pathway to over 130 bachelors' degrees at the University of Newcastle!

As part of the program, you'll study a total of eight courses and, upon successful completion, progress to Year 1 of your selected bachelor's degree at the University.

Applicants who successfully receive a Letter of Offer will have a packaged offer which includes both Foundation Studies and their chosen degree program in the same offer. Once the offer is accepted and deposit paid, electronic Confirmation of Enrolment (eCOE) documents are provided for both programs (including Health Science quota programs), allowing students to secure a visa for the full duration of their study.

Our Foundation Studies have been specifically designed to boost your qualifications and bridge any gaps in your academic preparation and English language proficiency.

Studying with us, you'll enjoy small class sizes in a caring and supportive environment, to help prepare you for a successful transition to the University of Newcastle.

(Shanghai Subject rankings 2021)

Foundation Studies in Medicine

Students who would like to enter the Bachelor of Medical Science & Doctor of Medicine program, but don't meet the direct entry requirements, have the opportunity to secure a place through our exclusive Foundation Studies in Medicine program pathway.

What makes our program different?

- Our Letter of Offer is packaged and contains both the Foundation Studies in Medicine and the Bachelor of Medical Science & Doctor of Medicine in the one offer.
- If you accept an offer with us, you will receive the Electronic Confirmation of Enrolment (eCoE) for the Bachelor of Medical Science & Doctor of Medicine as well as Foundation Studies in Medicine.
- The University of Newcastle has extra quota places in the medical degree reserved exclusively for our Foundation Studies in Medicine students.
- Achieving a percentage score of 90 and above in our Foundation Studies program guarantees you a spot in the Multiple Skills Assessment (interview).
- High progression rate.
- Foundation Studies in Medicine students are exempt from having to sit UCAT.

We are the only international pathway provider in Australia to offer this program

CRICOS Code 104603H	
Intake	Duration
26 February	12 months
24 June	8 months
Your pathway to: Bachelor of Medical Science & Doctor of Medicine	5 years
Program Fee*	\$33,600

COURSE STRUCTURE

Eight core courses

- English for Academic Purposes
- Introduction to Academic Communication
- IT for Academic Studies
- Australian Studies
- Biology
- Chemistry
- Human Biology
- Introductory Mathematics

* Fees stated are for 2024 and are in AUD. Additional fees apply. Please visit internationalcollege.newcastle.edu.au/fees.html for more information.

Express Preparation Program

Our brand new Express Preparation Program (EPP) has been designed for applicants who have completed Year 12 of high school, but have not met the academic and/or English proficiency required for direct entry to a Bachelor program at the University.

You can complete this full-time, one-trimester program (14 teaching weeks) and progress to Year 1 of over 130 different Bachelor programs of your choice at the University of Newcastle.

To successfully progress to your chosen Bachelor program, you will need the same Average Score as Foundation Studies students; however the score is only calculated over four courses (pages 23 - 26).

Year 12 High School

Express Preparation Program

Year 1, The University of Newcastle

CRICOS Code 113390H

Intake	Duration
26 February [^] or 21 October	4 months
Location	Newcastle
Program Fee*	\$13,600

COURSE STRUCTURE

Four core courses

- Introduction to Academic Communication
- Information Technology for Academic Purposes
- Australian Studies
- Introductory Mathematics or Human Biology (depending on degree destination)

* Fees stated are for 2024 and are in AUD. Additional fees apply. Please visit internationalcollege.newcastle.edu.au/fees.html for more information.

[^] Not available for Health Science students.

Degree Transfer

Our range of Degree Transfer programs are designed for students who have completed 12 years of schooling in their home country, and offers a direct pathway into the second year of their chosen bachelor's degree at the University of Newcastle. They are available in six different streams: Business, Commerce, Design (Architecture), Construction Management, Engineering, and Information Technology.

A Degree Transfer program can be packaged with one of 35 different bachelor's degrees at the University.

What makes our programs different?

- Enjoy access to all the same facilities and services as University of Newcastle students from day one.
- Study the Year 1 curriculum of your bachelor's degree in a supportive small-class environment.
- Boost your language and communication skills with Academic English.
- Attend Year 1 University lectures and tutorials. Also, you will receive additional tutorial support to guide your studies.

Degree Transfer Extended

If you don't quite meet the academic and English proficiency requirements for the Degree Transfer program, you may have the option of Degree Transfer Extended which includes an extra bridging trimester prior to the Degree Transfer program.

Degree Transfer Extended is available for all streams available within the Degree Transfer Program: Business, Commerce, Design (Architecture), Construction Management, Engineering, and Information Technology.

Degree Transfer Construction Management (Building)	CRICOS 113058J
Degree Transfer Design (Architecture)	CRICOS 113050F
Degree Transfer Extended Business	CRICOS 104605F
Degree Transfer Extended Commerce	CRICOS 104607D
Degree Transfer Extended Construction Management (Building)	CRICOS 113052D
Degree Transfer Extended Design (Architecture)	CRICOS 113050E
Degree Transfer Extended Engineering	CRICOS 104609B
Degree Transfer Extended IT	CRICOS 104611H

Intake	Duration
25 March	16 months
21 October	16 months
Program Fee*	\$37,500 Business, Commerce, Construction Management, Design (Architecture) \$42,300 (Engineering, Information Technology)

COURSE STRUCTURE

Five core bridging courses (non-credit bearing) in the first semester:

Business and Commerce Stream/Construction Management (Building) Stream/Design (Architecture) Stream

- Academic English
- Accounting
- Economics
- Commercial Law Fundamentals
- Statistics

Information Technology & Computer Science Stream

- Academic English
- Core Mathematics
- Programming
- Computing
- Statistics

Engineering Stream

- Academic English
- Core Mathematics
- Engineering Mathematics
- Computing
- Physics

Upon completion of the initial bridging trimester, students then proceed to the relevant Degree Transfer program and complete ten courses of study over 12 months before progressing to Year 2 of their chosen degree.

High School (Year 12)

Degree Transfer Extended (CIE)

Year 2, The University of Newcastle

Pre-Master's Program (PMP)

Our Pre-Master's Program offers a direct pathway for international students wishing to study a range of master's degrees at the University of Newcastle. Upon successful completion of the program, you will receive up to 30 credit points, allowing you to jump straight into the second trimester of your master's degree.

The Pre-Master's Program is taught over two trimesters. In the first Bridging trimester, you'll develop your study and research skills, as well as English academic language in writing, reading, listening, and speaking. By the second Pre-Master's trimester, you'll begin studying university subjects that are part of your chosen master's degree.

Why study the Pre-Master's Program?

- Flexible entry and English language requirements (see entry requirements on page 48).
- Our Bridging to Pre-Master's trimester model means you begin your master's degree after just one trimester, and then upon completion of our Program, progress straight into the second trimester of your master's degree at the University.
- Benefit from extra support to develop your English and academic study skills.
- Feel better prepared for university study, while only adding an additional four months to your degree.

Intake	Duration
29 January	8 months (two trimesters)
13 May	8 months (two trimesters)
26 August	8 months (two trimesters)

Pre-Master's Program - Business

CRICOS code 104612G

Program Fee* \$36,360

The Pre-Master's Program – Business, can be packaged with the following master's degrees:

- Master of Professional Accounting/Master of Business Administration (Sydney campus only)
- Master of Applied Finance
- Master of Business Administration (Available in Newcastle/Sydney)
- Master of Business Administration (Global) (Available in Newcastle/Sydney)
- Master of Health Economics, Management & Policy
- Master of Health Economics, Management & Policy (Global)
- Master of Health Economics, Management & Policy/Master of Business Administration
- Master of Human Resource Management
- Master of International Business
- Master of Marketing
- Master of Business Administration/Master of Applied Finance
- Master of Business Administration/Master of Human Resource Management
- Master of Business Administration/Master of Marketing
- Master of Business Administration/Master of International Business

Upon graduating with a master's degree in one of these business-related areas from the University of Newcastle, you'll develop an understanding of business and the environments they operate in, and gain desirable skills such as strategic planning and project management. In an increasingly globalised and tech-driven world, business skills are highly versatile and growing in demand, allowing you to access opportunities across a wide range of fields and sectors.

Depending on your chosen degree, your career opportunities will be diverse, including:

- Accountant
- Finance/marketing/healthcare manager
- Investment banker
- Management/business consultant
- Human resources officer/advisor
- Financial advisor

COURSE STRUCTURE

Trimester 1: Five core bridging courses (non-credit bearing)

- Academic English A
- Critical Thinking for Postgraduate Studies
- Intercultural Studies
- Quantitative Skills for Postgraduate Studies
- Study and Research Skills

Trimester 2: English and three credit-bearing courses

- Academic English B

Three credit-bearing courses according to the program plan of your preferred Master's degree.

Pre-Master's Program - Business Accelerated

CRICOS code 104612G

Program Fee* \$18,180

The Pre-Master's Program – Business (Accelerated) is a one trimester (four months) version of the Pre-Master's Business Program for students with slightly higher academic and English proficiency levels. You will study Academic English and three master's level subjects that are part of your chosen master's degree. On successful completion of the Pre-Master's Program Accelerated, you'll receive credit for these subjects and jump straight into the second trimester of your degree.

COURSE STRUCTURE

English and three credit-bearing courses

- Academic English B

Three credit-bearing courses according to the program plan of your preferred Master's degree.

Pre-Master's Program - Information Technology

CRICOS code	104613F
Program Fee*	\$36,360

The Pre-Master's Program – Information Technology, can be packaged with the following master's degrees:

- Master of Information Technology (Business Analytics)
- Master of Information Technology (Management Information Systems)
- Master of Information Technology (no specialisation)

All of the above degrees are available at either Newcastle Callaghan or Sydney campuses.

Upon graduating with a Master of Information Technology from the University of Newcastle, you will be capable of approaching complex problems with a level head, able to manage IT projects effectively and professionally, and have the technical expertise required to take on positions in electronic commerce, information systems, games development, technology management, health informatics or business systems and management.

Your career opportunities are quite diverse, including:

- Business analyst
- Database developer
- Project manager
- Systems analyst
- Web developer
- Software developer

COURSE STRUCTURE

Trimester 1: Five core bridging courses (non-credit bearing)

- Academic English A
- Critical Thinking for Postgraduate Studies
- Intercultural Studies
- Quantitative Skills for Postgraduate Studies
- Study and Research Skills

Trimester 2: English and three credit-bearing courses

- Academic English B

Three credit-bearing courses according to the program plan of your preferred Master's degree.

Pre-Master's Program - Information Technology Accelerated

CRICOS code	104613F
Program Fee*	\$18,180

The Pre-Master's Program – Information Technology (Accelerated) is a one trimester (four months) version of the Pre-Master's Program Information Technology, for students with slightly higher academic and English proficiency levels. You will study Academic English and three master's level subjects that are part of your chosen master's degree. Upon successful completion of the Pre-Master's Program, you'll receive 30 credit points and jump straight into the second trimester of your degree.

COURSE STRUCTURE

English and three credit-bearing courses

- Academic English B

Three credit-bearing courses according to the program plan of your preferred Master's degree.

These master's degrees are available at either Newcastle or Sydney campuses after successful completion of the Pre-Master's Program – Information Technology (Accelerated):

- Master of Information Technology (Business Analytics)
- Master of Information Technology (Management Information Systems)
- Master of Information Technology (no specialisation)

Hoang Nguyen Lam (Carrot)

Vietnam, Foundation Studies

"Thanks for the knowledge that I gained from the College, I haven't had any difficulty (at the University). After I finished my Foundation Studies, I got the ASEAN Excellence Scholarship. I was very proud of myself, because I could bring some financial assistance to my family."

Watch the video.

Yuan Chen (Karina)

China, Pre-Master's

"I enjoyed everyday studying at the College. I am now studying the Master of Marketing at the University of Newcastle. The University has many beautiful buildings, and I especially like the library. I can study in the library whole day."

Watch the video.

Kamrul Islam Swarup

Bangladesh, Degree Transfer - IT

"The classes at the College help me come out of the box, doing fun and interactive things. The classes are quite small, maybe 18 - 20 students. It helped me make new friends. The teachers here are quite helpful and friendly. They are easy to communicate, give us personal and emotional support, and provide tutorial support classes if you are stuck in your studies."

Watch the video.

Scholarships

The University of Newcastle College of International Education Scholarships

The University of Newcastle College of International Education is proud to offer our students some of the most competitive scholarships available in Australia.

CIE Program Scholarships

We offer a range of scholarships towards the cost of our program tuition fees. These normally represent 5-20% of the total program fee. Our scholarships are awarded automatically and will be listed on your Letter of Offer, if eligible, and do not require a separate application. The exact amount awarded will depend on an applicant's particular background, for example, the grades achieved in high school.

Kaplan Family Bursary

Students with a sibling who also enrolls with The University of Newcastle College of International Education will be eligible for the Kaplan Family Bursary. The bursary provides 10% off the tuition fee of the second sibling to accept the offer and commence studies.

The following Scholarships provide a fee reduction of \$10,000 per year – that's worth up to **A\$50,000!**

Progression Scholarships*

Africa Excellence Scholarship

The University of Newcastle College of International Education students from any of the 54 countries within Africa are eligible for the African Excellence Scholarship once they progress to their chosen degree at the University.

ASEAN Excellence Scholarship

The University of Newcastle College of International Education students from Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Singapore, Thailand, the Philippines, and Vietnam are eligible for the ASEAN Excellence Scholarship once they progress to their chosen degree at the University.

South Asia Excellence Scholarship

The University of Newcastle College of International Education students from Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan, and Sri Lanka are eligible for the South Asia Excellence Scholarship once they progress to their chosen degree at the University.

Onshore Excellence Scholarship

The University of Newcastle College of International Education students who are not eligible for citizenship-based scholarships and who are onshore in Newcastle will be eligible for the Onshore Excellence Scholarship when they progress to their chosen degree at the University.

The following Scholarships provide a fee reduction of **\$15,000** per year.

International Excellence Scholarship (Information Technology and Computer Science)

The University of Newcastle College of International Education students from all countries who progress into any of the following degrees, are eligible for the International Excellence Scholarship (Information Technology and Computer Science) worth **\$15,000** per year.

- Bachelor of Data Science
- Bachelor of Data Science/Bachelor of Computer Science
- Bachelor of Data Science/Bachelor of Mathematics
- Bachelor of Information Technology

Steps to Entry

International students can apply to study through a University of Newcastle College of International Education agent or directly via our application form. Follow these easy steps to secure your place with us.

STEP 1

Download the Application Form from our website internationalcollege.newcastle.edu.au/how_to_apply.html. Complete the form.

STEP 2

Please supply scanned coloured copies of original documents or certified copies of original documents. The type of documents required are:

- Academic qualifications
- English proficiency document
- Passport

STEP 3

Submit your application

Send your completed application form and certified documents via email to admissions-CIE@newcastle.edu.au.

STEP 4

Application Assessment

We will review your submitted application and supporting documents. If these meet our admission requirements, you will receive a Letter of Offer.

Depending on where you are in the world, you may also need to be assessed to determine if you are a Genuine Student under Australian legislation. We may ask you to complete one or more of the following: a Genuine Temporary Entrant (GTE) Form, a statement of purpose and provide financial documents or an interview.

STEP 5

Accept your offer

Please sign and return the written acceptance of your offer to the CIE Admissions Office, together with evidence of payment for the amount stated within the Letter of Offer.

STEP 6

Receive your CoE

You will receive an electronic Confirmation of Enrolment. This may take a couple of working days. If you have not received the confirmation from us within that period, please contact us via admissions-CIE@newcastle.edu.au.

STEP 7

Visa and Accommodation

International students will need to then apply for a student visa to study in Australia, and we recommend you apply as soon as possible after receiving your CoE.

STEP 8

Attend Orientation

Four weeks before the start of your program, you will receive more information about the orientation session. To find out more about the orientation, visit internationalcollege.newcastle.edu.au/orientation.html
