GRADUATION 2024
FRIDAY 13 DECEMBER

TULATIONS

FREE

ANNUAL FLOWER BALL - SYDNEY

10am Ceremony

OCCASIONAL SPEAKER

Emeritus Professor Peter Corke

Emeritus Professor Peter Corke is a robotics practitioner, researcher and educator. He is currently Chief Roboticist of LYRO Robotics and technical advisor to Emesent. His career has been concerned with enabling robots to see, in particular robotic hand-eye coordination and the application of robots for mining, agriculture, construction, and environmental monitoring.

He is a distinguished Emeritus Professor at Queensland University of Technology where he established one of the largest robotics research and teaching groups in Australia. He created widely used open-source software for teaching and research in MATLAB and Python; wrote the best selling textbook “Robotics, Vision, and Control”, now in its third edition; created several online courses and the Robot Academy; and has won national and international awards as recognition for teaching, including 2017 Australian University Teacher of the Year.

Professor Corke directed the QUT Centre for Robotics (2020-23); was founding director of the ARC Centre of Excellence for Robotic Vision (2014-20), and founding director of CSIRO’s Autonomous Systems Lab (2004-09).

He is a fellow of the IEEE, the Australian Academy of Technology and Engineering, the Australian Academy of Science; former editor-in-chief of the IEEE Robotics & Automation magazine; founding editor of the Journal of Field Robotics; founding multi-media editor of the International Journal of Robotics Research; recipient of the Qantas/Rolls-Royce and Australian Engineering Excellence awards; and has held visiting positions at Oxford, University of Illinois, Carnegie-Mellon University, and University of Pennsylvania. He received his undergraduate and masters degrees in electrical engineering and PhD from the University of Melbourne.

GRADUATE SPEAKER

Ngoc Bao Ngan Huynh
Bachelor of Civil Engineering with Honours Class I

MUSICAL PERFORMANCES

The National Anthem will be performed by Bree Bennett accompanied on organ by Stephen Aveling-Rowe.

Musical interlude will be performed by Bree Bennett.

All musicians and performers are current students or alumni of the University of Newcastle.

2.30pm Ceremony

OCCASIONAL SPEAKER

Professor Phillip McIntyre

Professor Phillip McIntyre worked in the music industry as a songwriter, performing musician, record producer, manager and audio engineer. He has played hundreds of gigs. His work as a music journalist entailed writing stories on artists like David Bowie, John Fogerty, Paul Kelly, Mandawuy Yunupingu and many, many others. The music videos he produced, directed and edited were broadcast on national television and his latest album of songs was released in 2018. An EP of AI inspired tunes was released in 2020.

He was awarded his PhD in 2004 from Macquarie University and has since published 7 books and 152 journal articles, book chapters, conference papers and creative works. He is a Past-President of the Australian and New Zealand Communication Association and is a founding member of the International Society for Music Production Research.

He was the Head of Discipline for Communication at the University of Newcastle for nine years where he oversaw teaching and research matters in his discipline and is currently a Detailed Assessor for the Australian Research Council.

He was instrumental in forming the Communication and Media Research group, set up the nationally focused Creativity in Higher Education Network and led the internationally lauded Creativity and Creative Industries research team for quite a number of years.

Professor McIntyre is recognised as a founding voice in the new field of Songwriting Studies and his research has been central to the development, application and publication of an innovative approach to teaching creativity in Higher Education called Systems Centred Learning.

GRADUATE SPEAKER

Amber Kelleher

Bachelor of Communication with Distinction

MUSICAL PERFORMANCES

The National Anthem will be performed by Brynn Hulls accompanied on organ by Stephen Aveling-Rowe.

Musical interlude will be performed by Brynn Hulls.

All musicians and performers are current students or alumni of the University of Newcastle.

HONORARY DOCTORATE AWARD RECIPIENT AND OCCASIONAL SPEAKER

Dr. Robert Cameron AO

Dr. Robert 'Bob' Cameron holds degrees in engineering, economics and business. He is a non-executive board member in the commercial, government and not-for-profit sectors.

After holding senior positions in a major mining company, in 1994 he founded Centennial Coal Company Limited, being its Chief Executive Officer until 2011 and Chairman from 2011 to 2018. He was Chairman of the Australian Coal Association Ltd, NSW Minerals Council, Australian Coal Research Ltd, and ACA Low Emissions Technology Ltd. He was also actively involved in many local organisations.

In 2002, the Australasian Institute of Mining and Metallurgy awarded Dr. Cameron the Institute Medal. In 2005 he received the Hunter Business Person of the Year Award, and in 2010 the Australian Mining Prospect Award for Most Outstanding Contribution to Mining. In 2016 he was awarded the UNSW Alumni Award for Business and Innovation.

In 2012 Dr. Cameron was made an Officer in the General Division of the Order of Australia for distinguished service to the mining industry of New South Wales through leadership roles with professional organisations, to higher education, and to the community of the Hunter Valley.

Dr. Cameron is currently a member of the Library Council of NSW, Chairman of its Audit and Risk Committee and a Trustee of the Library Foundation. Other roles include Chairman of Zeal Futures Pty Ltd (formerly Hunter Valley Training Company), a Director of the UNSW Foundation, a Member of the University of Newcastle's Philanthropic Governance Committee, and a Member of the Advisory Committee to the Monash Scholarship Foundation Leadership Academy.

GRADUATE SPEAKER

Kimberly Lewis

Celebrating 50 years of building pathways to brighter futures

The University of Newcastle's Open Foundation program is celebrating 50 years. That's 50 years of transforming lives and opening doors to education for all.

Since 1974, Open Foundation has grown to become the largest enabling program of its kind in Australia and is recognised as the industry benchmark.
