## PROGRAM PLAN

# BACHELOR OF NUTRITION AND DIETETICS (HONOURS)

To be eligible to graduate make sure you have completed 320 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses – 290 units.
- Directed course – 10 units.
- Compulsory courses – 20 units (Graded Honours only).
- Electives – 20 units (Ungraded Honours only). Visit the [Course Handbook](#) for more information.
- The Graded Honours option is available only to those students who meet the eligibility requirements. Please see the [Program Handbook](#) for further details.
- Students must not exceed 120 units at 1000 level in this program.
- This program contains clinical/professional placements. Students must meet [NSW Health Verification Requirements](#) and obtain an approved Provide First Aid Certificate.
- The duration of this program is 4 year full-time (must undertake 40 units per semester).
- The maximum time to complete this program is 6 years.

### Transition Arrangements from 2021

- \*\*\*HUBS3280 Nutritional Biochemistry was replaced by INDH2490 Foundations of Aboriginal and Torres Strait Islander Health from January 2021. Students who have not completed HUBS3280 prior to 2021 will need to complete INDH2490
- \*\*ABOR2440 Aboriginal Health Past and Present has been removed from directed course list from January 2021. ABOR2440 will count as the directed course ONLY for students who have completed this course prior to 2021.

#### DIRECTED COURSES FROM 1 JANUARY 2021

**PLEASE NOTE NOT ALL COURSES ARE OFFERED EVERY YEAR OR TERM**

Complete 10 units from:

**FSHN2060 Food Marketing and Consumer Behaviour**

**NUDI4270 Sports Dietetics**

**PSYC2505 Foundations of Psychology and Sociology for Health Professionals**

#### DIRECTED COURSES OFFERED PRIOR TO 1 JANUARY 2021

**NUDI4270 Sports Dietetics**

**PSYC2505 Foundations of Psychology and Sociology for Health Professionals**

From 2021 these courses are no longer available as a directed course in this program:

**\*\*ABOR2440 Aboriginal Health Past and Present**

**ABOR2450 Aboriginal Health Practices**

**HLSC1243 Foundations of Strong Families--Capable Communities**

**HLSC2241 Family and community engagement: an introduction**

**HLSC2242 Working with Men and Boys in Human Services**

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
