

# Entrusted Roles

The following positions have been identified as 'entrusted' by the University of Newcastle, as they control or administer significant University resources and / or assets. Appointment to such positions is subject to satisfactory results from the following screening checks conducted by the University of Newcastle (Human Resource Services) or certified professional agencies:

- Police Record Check – administered internally by Human Resource Services and undertaken by an external agency; and
- HR Employment Check – administered internally by Human Resource Services to verify employment history credentials, specifically dates of employment and positions held for the previous 5 years.
