Program Plan Key: = Core = Compulsory = Directed = Elective

To be eligible to graduate make sure you have completed 320 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- ✓ Core courses - 230 units.
- ✓ Directed courses - 40 units. 20 units Psychology Directed, 10 units Biology Directed, 10 units Science Directed (chosen from a list of approved courses in the Program Handbook).
- ✓ Electives - 50 units. A maximum of 40 Elective units can be taken at 1000 level. Visit the [Course Handbook](#) to see a list of available Electives. ✓

Students must not exceed a total of 120 units at 1000 level.

- ✓ Honours is available only to those students who meet the eligibility requirements. Please see program handbook for details.
- ✓ For students who commence this program in Semester 2, 2017, the minimum duration to complete is 4.5 years, due to course structure and availability. ✓

The maximum time to complete this program is 10 years.

Entry to the 4th year requires the completion of the 240 units of the core, compulsory and elective courses in the first three years of the BPsych (Hons) and a minimum GPA of 5.0 calculated on all 2000 and 3000 level PSYC courses. Where a student has received credit for prior study, only those units completed at the University of Newcastle will be included in the GPA calculations.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#).

The [Program Handbook](#) has valuable information on program structure and requirements, if you are intending on studying part time or varying from this program plan please seek prior advice from your [Academic Program Advisor](#).
