Staff Employed on Research Grants

Where research grants offer full superannuation membership, the preceding rules for operating funds apply according to your category of appointment.

If full superannuation membership is not offered, Superannuation Guarantee employer payments to eligible employees will be made to UniSuper on your behalf. You are under no obligation to make personal contributions, however voluntary contributions can be made either pre or post tax. If you elect to make voluntary contributions please contact the [Superannuation Officer](#) for more information.
