PROGRAM PLAN

GRADUATE CERTIFICATE IN INFORMATION TECHNOLOGY

To be eligible to graduate make sure you have completed 40 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core Courses – 20 units
- Directed Courses – 20 units including 10 units from List A and 10 units from List B
- The duration of this program is 2 trimesters or part-time equivalent.
- The maximum time to complete this program is 3 years.
- The above enrolment pattern complies with the conditions of international student visas. Failing to follow this enrolment advice may result in international students not being able to graduate within the period of their Confirmation of Enrolment.
- The Education Services for Overseas Students requires students on a student visa to take no more than one third of their program online or by distance education and to be enrolled in at least one face-to-face course in each compulsory term.
- Future course availability is subject to change.
- **Students must enrol ONLY in courses listed on this program plan. Students are not permitted to select courses from outside their degree program.**
- Please note that this program will be offered at the Sydney campus for the first time from Trimester 1 2020.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Program Advisor](#).
