PROGRAM PLAN

MASTER OF DISASTER RESILIENCE AND SUSTAINABLE DEVELOPMENT

To be eligible to graduate make sure you have completed 160 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- The maximum number of units required for completion of this award is 160. Students may be awarded Recognition of Prior Learning (RPL) of up to 80 units depending on their previous qualification. All applicants will be advised of any applicable RPL at the time of admission. Please visit the [Program Handbook](#) for information about RPL and applicable pathway.
- The program consists of:
 - Core courses – 80 units
 - Directed courses – 80 units
- The approximate duration of this program is 2 years full time study, or part time equivalent.
- The maximum time to complete this program is 6 years.
- The above enrolment pattern complies with the conditions of international student visas. Failing to follow this enrolment advice may result in international students not being able to graduate within the period of their Confirmation of Enrolment.
- Future availability of courses is subject to change.
- Students must enrol ONLY in courses listed on this program plan. Students are not permitted to select courses from outside their degree program.
- The Education Services for Overseas Students requires students on a student visa to take no more than one third of their program online or by distance education and to be enrolled in at least one face-to-face course in each compulsory term.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
