## PROGRAM PLAN

# MASTER OF INFORMATION TECHNOLOGY

To be eligible to graduate make sure you have completed 160 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core Courses – 80 Units.
- Management Information Systems Specialisation Compulsory Courses – 40 Units.
- Management Information Systems Specialisation Directed Courses – 40 Units.
- The recommended duration of this program is 6 trimesters.
- The maximum time to complete this program is 6 years.
- The maximum number of units required for completion of this award is 160. Students may be awarded Recognition of Prior Learning (RPL) of up to 80 units depending on their previous qualification. All applicants will be advised of any applicable RPL at the time of admission.
- The above enrolment pattern complies with the conditions of international student visas. Failing to follow this enrolment advice may result in international students not being able to graduate within the period of their Confirmation of Enrolment.
- The Education Services for Overseas Students requires students on a student visa to take no more than one third of their program online or by distance education and to be enrolled in at least one face-to-face course in each compulsory term.
- Future course availability is subject to change.
- Part time students typically enrol in 10-20 units each Trimester.
- **Students must enrol ONLY in courses listed on this program plan. Students are not permitted to select courses from outside their degree program.**

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
