UNIVERSITY OF  
NEWCASTLE  
AUSTRALIA

### Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide\***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Mongolia is built on strategic, institution to institution partnerships and close alignment with priority development areas agreed between the Governments of Australia and Mongolia. Key areas of collaboration include agriculture and environmental sustainability, natural resource management, engineering and infrastructure development, health systems strengthening, education leadership, digital transformation, information technology, business capability and governance reform. Through sustained collaboration with Mongolian government agencies, universities and industry partners, Newcastle contributes to capacity building, workforce development and long term cooperation between Australia and Mongolia.

### Australia Awards in Mongolia

Australia Awards Scholarships support emerging leaders from Mongolia to undertake postgraduate study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to the country's long term development. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing Mongolia's development priorities. Through advanced study and engagement with Australian expertise, awardees return equipped to strengthen institutions, enhance professional capability and contribute to sustainable economic and social development across Mongolia.
