Funding Arrangement

This is a donor-funded scholarship from the late Mrs. Betty Josephine Fyffe.

Establishment

Betty Fyffe was a local Tamworth girl who grew up in the surrounds of her father's chemist shops. Betty had an absolute passion for Nursing and her strong feelings for St Vincent's Hospital in Sydney where she trained and spent many years providing nursing treatment.

Betty leaves this legacy as her way of trying to improve the education of doctors, nurses and allied health professionals in training with hope that some will return to the country areas to practice their profession.

We hope that all recipients of a Betty Josephine Fyffe Scholarship will be as passionate about their career as she was about nursing.

Any applicant that does not submit the required documentation, including documentary evidence, will not be considered for selection. As part of your application, you will need to agree to the terms and conditions regarding privacy and collection of personal information set out in the Declaration and Authority at the start of your application.

Selection

Selection is a competitive process based on assessment of the scholarship application, supporting documentation (where required), and the eligibility criteria for the scholarship.

Selection will be made by the Scholarships Office with consideration of the eligibility criteria and any additional factors relevant to the purpose of the scholarship, in this order:

- All eligibility criteria for the scholarship being met
- Regional and/or remote disadvantage
- Academic merit

All applicants will be notified of their application outcome via email, usually within 6–10 weeks of the scholarship closing date.

Meeting the eligibility criteria does not guarantee receipt of a scholarship. Scholarship selection is competitive and is based on the relevant selection criteria, the number of eligible applicants, and scholarships available. Applicants who are unsuccessful in one offer round may still be considered for later rounds within the same scholarship year, where applicable, and are encouraged to apply for future opportunities.

Ongoing Conditions of Your Scholarship

- Continue to meet the eligibility criteria outlined above for the duration of the scholarship, unless special consideration is approved (see below).

- This scholarship is subject to semester review.

- If you have units with Incomplete (I), Special Consideration (S), or Incomplete Placement (IP) grades your payment may be put hold until these are resolved and your ongoing eligibility for the scholarship can be confirmed.

- Complete the Letter to your Donor form within 2 weeks of accepting your scholarship offer.
- Attend a presentation ceremony during Scholars Week events (usually August–September), where possible.

Payment

This scholarship provides a total benefit of up to $50,000, paid as a $5,000 each semester up to a maximum term of 5 years, provided ongoing eligibility is met.

Payments are typically received 2–3 weeks after the relevant census date, or 2–3 weeks after you accept your offer if the census date has already passed.

Where a scholarship supports the duration of your degree, payments are based on the standard full-time remaining duration of your original program, including Honours where applicable.

The scholarship benefit and number of scholarships awarded may vary and will be determined by the funding available each year.

Leave and Special Consideration

If illness, injury, or other extenuating circumstances have affected your ability to study for a term or meet the ongoing conditions of your scholarship you may contact the Scholarships Office to discuss available support options. This may include requesting that your scholarship be placed on hold (if applicable) or applying for special consideration.

Deferral and Leave

If you are unable to study due to adverse circumstances, you may apply in writing to scholarships@newcastle.edu.au to request that your scholarship be reserved. Applications must be supported by appropriate documentary evidence.

Periods of approved leave for the scholarship:

- must not exceed two consecutive semesters of study; and
- will not be counted towards the term of the scholarship.

Please note an approved University Leave of Absence does not automatically reserve your scholarship. You must also contact scholarships@newcastle.edu.au to request that your scholarship be placed on hold.

Special Consideration

If you have not met the ongoing conditions of your scholarship (including the GPA, progression or study load requirements) due to illness, injury, or other extenuating circumstances you may apply for special consideration to continue your scholarship.

Requests for special consideration must be submitted to the Scholarships Office at scholarships@newcastle.edu.au and include the following:

- a statement explaining your circumstances and how these affected your ability to meet the ongoing conditions of your scholarship; and
- appropriate supporting documentation

A decision will be made by the Scholarships Office in consultation with the Office of Philanthropy.

Termination

Unless terminated earlier, the scholarship will end when the term has expired and the total benefit has been paid.

The scholarship may be suspended or terminated if:

- the scholarship conditions are no longer met;
- you discontinue or complete your studies;
- you cease to be a student at the University of Newcastle; or
- serious misconduct has occurred in accordance with University policies and rules.

Where appropriate, relevant University stakeholders and donors may be advised of changes to a scholarship.

Ongoing scholarships will not be paid out in full in instances where the recipient completes study before the full scholarship term has expired.

If false or misleading information has been provided, and as a result the scholarship was awarded or continued incorrectly, the scholarship may be terminated, and repayment of any ineligible scholarship payments may be required.
