PROGRAM PLAN

BACHELOR OF EDUCATION (SECONDARY STUDIES)

To be eligible to graduate make sure you have completed 330 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses (including Professional Placement) - 150 units.
- Design and Technology Industrial Technology Timber and Metal Major – 120 units Compulsory Courses **and a choice of one of the following:**
 - Additional Teaching Area - 60 units; **or**
 - TESOL - 40 units and Electives 20 units; **or**
 - Special Education - 40 units and Electives 20 units; **or**
 - Electives – 60 units.
- Students will need to ensure that they meet the registration requirements for all of their teaching areas. Please also refer to further information found at [Bachelor of Education \(Secondary Studies\) Teaching Area Requirements](#).
- Students must complete a minimum of 40 units at all levels (1000, 2000, 3000 and 4000), and can complete a maximum of 120 units at 1000 level.
- The duration of this program is 4 years full-time study (40 units per semester).
- **Important note for international students:** International students must be enrolled full time. The above enrolment pattern complies with the conditions of international student visas. Failing to follow this enrolment advice may result in international students not being able to graduate within the period of their Confirmation of Enrolment (CoE). Students who have questions about their enrolment should contact the Academic Program Advisor.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
