# PROGRAM ADVICE AND SUPPORT

## Postgraduate programs

### PROGRAM ADVISOR

The Postgraduate Program Advisors provide dedicated, specialised advice and support to postgraduate coursework students across the student lifecycle. Your Postgraduate Program Advisor has thorough knowledge of postgraduate programs and can help you ensure that you are following the requirements and structure of your degree program. Duties include providing detailed information and advice for students, assessing applications for cross-institutional study, as well as qualifying students when they are ready to graduate. You should contact your Postgraduate Program Advisor if you have any enquiries of an administrative manner regarding your study at UON.

If you wish to contact your program advisor, you may do so by phone or email. If you would like to book an appointment to see your program advisor, you can do so at any Student Central location.

### PROGRAM CONVENOR

Your Program Convenor is an academic staff member with overall responsibility for the management and quality of your program. Your Program Convenor is a good person to contact for advice on academic matters, including career advice and course recommendations to suit your interests and study plans.

Each degree program at the UoN has a Program Convenor and Program Advisor whom you may contact for advice and support. You will find a list of these for each program below.

### GENERAL ENQUIRIES – 02 492 15000

If you are unsure who to speak to, or for any general enquiries, please phone the University Enquiry line on (02) 492 15000. Staff can ensure your enquiry is directed to the appropriate person for support and action.
