BENEFIT

There is one scholarship available each year. This scholarship provides a maximum benefit of \$4,500 towards tuition fees for the program.

The scholarship benefit will be applied on a pro-rata basis in each term of study for the duration of the scholarship (1 year for full-time study or up to 2 years part-time), providing a \$562.50 fee reduction against each eligible 10-unit course taken. The fee reduction will only be applied to courses required to successfully complete the program (as specified in the [Program Handbook](#)).

The scholarship benefit will be applied as tuition fee waivers directly to the recipient's University student account. This will reduce the recipient's tuition fee liability by the scholarship benefit amount for each term of the scholarship duration, provided the conditions of the scholarship are maintained.

The scholarship provides:

Total Scholarship Value:	\$4,500	Unit Value (per 10 units):	\$562.50
---------------------------------	---------	-----------------------------------	----------

The scholarship benefit and number of scholarships awarded may vary and will be determined by the funding available in each year.

PERIODS OF LEAVE

This scholarship does not provide a period of leave or deferral.

TERMINATION

Unless terminated earlier, the scholarship will end when the term has expired, and the total benefit has been paid.

The Scholarships office may terminate the scholarship before the term has expired if:

- The scholarship conditions are not met, including relevant eligibility criteria being maintained.
- The scholar completes study and/or ceases to be a student with the University of Newcastle; or
- The scholar has committed serious misconduct (as determined in accordance with the University's relevant policies and rules).

Ongoing scholarships will not be paid out in full in instances where the recipient completes or discontinues study before the full scholarship term has expired.
