## Myanmar Study Guide

UNIVERSITY OF  
NEWCASTLE  
AUSTRALIA

### Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide\***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Myanmar is built on strategic, institution to institution partnerships and close alignment with priority development areas agreed between the Governments of Australia and Myanmar. Key areas of collaboration include education reform and system strengthening, public health and health systems development, human rights and democratic governance, gender equality and social inclusion, environmental sustainability and natural resource management, and economic development. Through sustained collaboration with Myanmar institutions, government bodies and civil society partners, Newcastle contributes to capacity building, workforce development and long term cooperation between Australia and Myanmar.

### Australia Awards in Myanmar

Australia Awards Scholarships support emerging leaders from Myanmar to undertake postgraduate study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to the country's long term development. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing Myanmar's priority development areas. Through advanced study and engagement with Australian expertise, awardees return equipped to strengthen institutions, enhance professional capability and contribute to inclusive and sustainable development across Myanmar.

Applications close on 30 April 2026 at 2.00 pm AEST.
