COMPULSORY PROFESSIONAL PRACTICE: INDUSTRIAL EXPERIENCE - 16 WEEKS

PROGRAM PLAN

BACHELOR OF CONSTRUCTION MANAGEMENT (BUILDING) (HONOURS)

To be eligible to graduate make sure you have completed 320 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses – 270 units
 - Note: Research courses ARBE4121A (10 units) and ARBE4121B (20 units) *must* be completed in the same calendar year.
- Directed courses – 10 units. Choose one of these courses:
 - [ARBE3308](#) Building Information Modelling (BIM)
 - [ARBE4302](#) Disaster Management and Resilience in the Built Environment
 - [ARBE2223](#) Architecture Studio Project 1 (Enrolment in this course is by ballot ONLY. For more information contact the School of Architecture and Built Environment on archbe@newcastle.edu.au)
- Elective courses – 40 units, visit the [Program Handbook](#) for more information.
- Students must not exceed 120 units at 1000 level in this program.
- It is also a requirement that students complete a total of 16 weeks of [industrial experience](#).
- The duration of this program is 4 year full-time (40 units per semester) or part-time equivalent.
- The maximum time to complete this program is 10 years.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
