# PROGRAM ADVICE AND SUPPORT

## Undergraduate programs

### PROGRAM ADVISOR

Your Program Advisor has a thorough knowledge of a degree program. Your Program Advisor can help you ensure that you are following the requirements and structure of the degree program as well as qualify you in your program at the end of your degree. You should contact your Program Advisor if you have any enquiries of an administrative manner regarding your degree at UON.

If you wish to contact your program advisor or make an appointment with them, you may do so by phone or email.

### PROGRAM CONVENOR

Your Program Convenor is an academic staff member with overall responsibility for the management and quality of your program. Your Program Convenor is a good person to contact for advice on academic matters, including career advice and course recommendations to suit your interests and study plans.

Each degree program at the UON has a Program Convenor and Program Advisor whom you may contact for advice and support. You will find a list of these for each program below.

### GENERAL ENQUIRIES – 02 492 15000

If you are unsure who to speak to, or for any general enquiries, please phone the University Enquiry line on (02) 492 15000. Staff can ensure your enquiry is directed to the appropriate person for support and action.

### STUDENT CENTRAL LOCATIONS

Each Student Central location offers a place to access information about the University's facilities, services and procedures. At each location, you can meet friends, use the computer and printing facilities, or grab a coffee and a bite to eat at one of the nearby retail outlets. They are also your pick up point for essential items like your student card and parking permit.
