# NEWCASTLE BUSINESS SCHOOL

## BUILDING THE ECONOMIES OF THE FUTURE

Students at Newcastle Business School benefit from a curriculum which is international in focus, and challenges them to understand and question the global economy and society of which they are part of.

The School also strives to find solutions so business and society can work together to create sustainable enterprises and communities.

## MISSION STATEMENT

The School's mission is to advance responsible and impactful business knowledge.

To achieve our mission, we develop life ready graduates and build global and local partnerships through ethical and innovative practices.

## ACKNOWLEDGEMENT OF COUNTRY

The Newcastle Business School would like to acknowledge and pay respect to the traditional owners of the lands on which they are situated on, the Awabakal and Worimi peoples.

It is upon their ancestral lands that the University of Newcastle and NewSpace is located. As we share our own knowledge, teaching and learning within the Newcastle Business School may we also pay respect to the knowledge embedded forever within Custodianship of Country.

We extend this respect to the Awabakal and Worimi Elders, past and present and to any First Nations people who visit, work or learn in this space.

# MASTER OF BUSINESS ADMINISTRATION

Outstanding business leadership meets you when you graduate with the Master of Business Administration (MBA) from the University of Newcastle. With state of the art on-campus facilities, or an all-inclusive online program guided by business leaders and academics, the MBA is designed to challenge you and build your capacity for business excellence.

The MBA attunes you to a higher understanding of business management decision making, marketing, organisational behaviour, accounting and finance processes, strategic management and the international business arena.

Choose to study our flexible MBA 100% online, face-to-face, or a mix - join in for the live learning sessions with experienced lecturers or catch up afterwards with all sessions recorded. Study around your schedule.

- **Industry guest speakers and engaging experiences** - hear and learn from some of the best minds in the industry or participate in hands-on problem solving for real-world issues through engaging teaching and learning experiences.
- **Fast-track your career** – complete your degree in as little as 18 months or exit early with an embedded Graduate Certificate in Business Administration (40 units).
- **AACSB and EQUIS Accreditation** - the University of Newcastle's Newcastle Business School is in the top 3 business schools in NSW, accredited by both EQUIS and AACSB.

Looking to gain experience and rights to work in the Australian business world?

## **PROFESSIONAL CREDIT**

Do you have qualifications or experience beyond the minimum entry requirements for a Masters Degree? If so, you may be able to complete your degree in reduced time and at reduced cost.

## PATHWAYS INTO THE MBA

The Graduate Certificate in Business Administration is a direct pathway into the MBA. You can choose to complete all four courses of the Graduate Certificate, which can count directly towards the full MBA.

Do you have qualifications or experience beyond the minimum entry requirements for a Masters Degree? If so, you may be able to complete your degree in reduced time and at reduced cost.

## CAREER OPPORTUNITIES

You'll be ready to apply your strengthened strategic focus and showcase your outstanding business management capabilities in real-world business situations. Build your confidence to enable you to reach for those senior and executive leadership roles.

Our graduates range from company executives to self-starting entrepreneurs and public sector leaders. Other career paths include:

- Human Resource Executive
- Business Consultant
- Business Development Manager
- Human Services Manager
- Entrepreneur
- Financial Advisor
- Industry Specialist Manager
- Marketing Manager
- Operations Manager

## COMBINE THE MBA WITH ANOTHER DEGREE

You can choose to combine the MBA with another degree. A combined masters degree will set you apart in the highly competitive global business environment. Combine your MBA with the following degrees:

- Master of Applied Finance
- Master of International Business
- Master of Health Economics, Management and Policy
- Master of Human Resource Management
- Master of Professional Accounting
- Master of Marketing

## WHAT YOU WILL STUDY

You will complete six core courses to understand all elements of business management. You will combine this with any option of six directed courses or four courses from a specialisation, plus an additional two courses of directed courses.
