GRADUATION 2023
SATURDAY 18 NOVEMBER

OCCASIONAL SPEAKER

Saturday 18 November 2023 | 1pm Ceremony

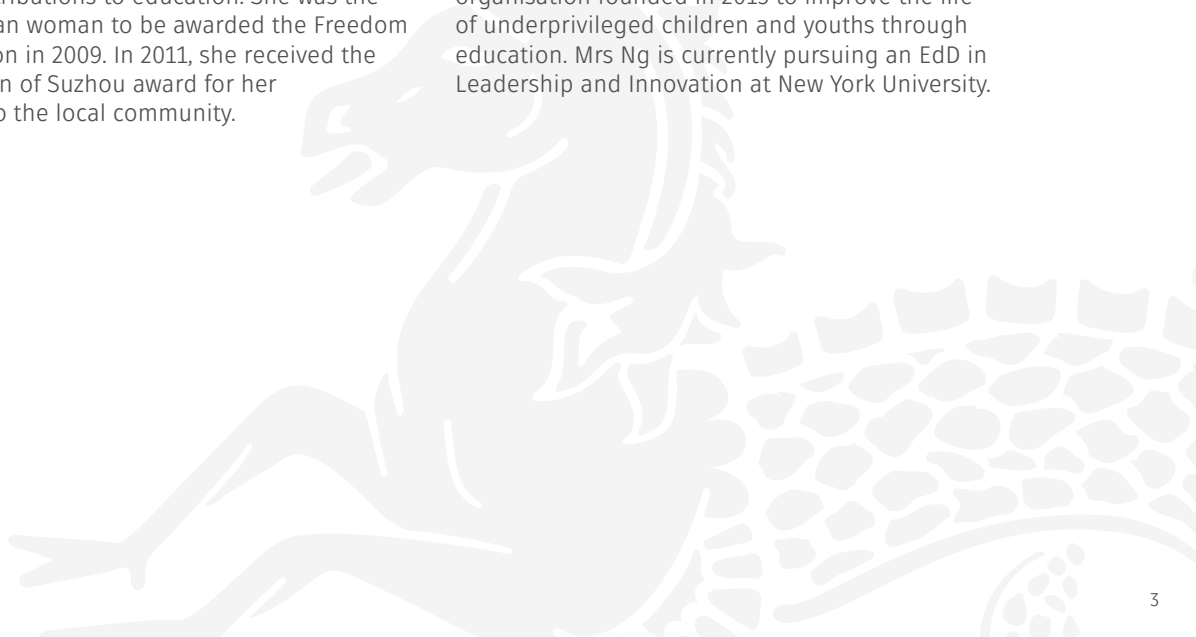

Mrs Ng Gim Choo

Mrs Ng Gim Choo gave up a flourishing career in audit and moved to London in the 1980s with her family. There, she discovered an education philosophy different from Singapore's pre-schools at that time. The children learned through play and exploration, and the teachers respected the children. Learning was joyful, not stressful. Inspired, she set up EtonHouse in 1995. From one school on Broadrick Road, EtonHouse is now a multi-brand global education group with over 120 schools in 10 countries with over 20,000 students from infant care to high school.

Mrs Ng has received many accolades for her significant contributions to education. She was the first Singaporean woman to be awarded the Freedom of City of London in 2009. In 2011, she received the Honorary Citizen of Suzhou award for her contributions to the local community.

She was Ernst & Young's Entrepreneur Of The Year (Education category) in 2019 and featured in Forbes' Asia Power Businesswomen 2021. In 2022, she was named Her World Woman of the Year and listed among Asia's Most Influential by Tatler. She was also on Forbes 50 Over 50: Asia 2023 list, and the sole winner in the Large/Listed Companies Category Women Entrepreneur Awards 2023.

With her son assuming leadership of EtonHouse, Mrs Ng now devotes a sizeable portion of her time to philanthropic efforts through the Group's charity arm, EtonHouse Community Fund (ECF), an IPC charity organisation founded in 2015 to improve the life of underprivileged children and youths through education. Mrs Ng is currently pursuing an EdD in Leadership and Innovation at New York University.
