Nepal Study Guide

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Nepal is built on strategic, institution to institution partnerships and close alignment with national development priorities. Key areas of collaboration include climate change adaptation and disaster risk reduction, sustainable infrastructure development, natural resource management, economic development and governance reform, education leadership, mental health and rehabilitation, and gender equality, disability and social inclusion. Through sustained collaboration with government agencies and industry partners, Newcastle contributes to capacity building, workforce development and long term cooperation between Australia and Nepal.

Australia Awards in Nepal

Australia Awards Scholarships support emerging leaders from Nepal to undertake study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to the country's long term development. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing Nepal's national priorities. Through advanced study and engagement with Australian expertise, awardees return equipped to strengthen institutions, enhance workforce capability and contribute to sustainable and inclusive development across Nepal.

Applications close on 30 April 2026 at 2.00 pm AEST.
