

AIMS – pocketSafety

Reporting from your smart phone

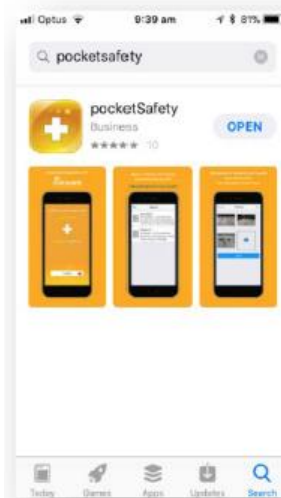

THE UNIVERSITY OF
NEWCASTLE
AUSTRALIA

pocketSafety is the mobile phone app for reporting health and safety incidents, hazards and near misses.

Download pocketSafety from the App Store or Google Play.

When opening pocketSafety for the first time.

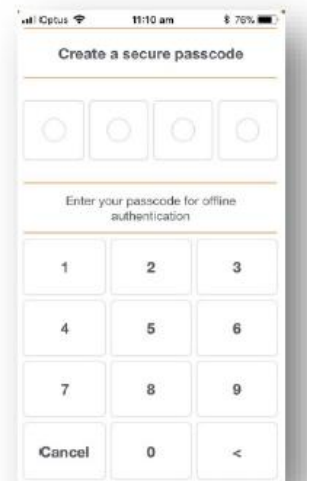

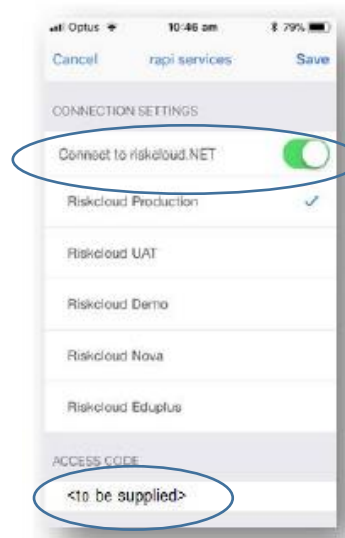

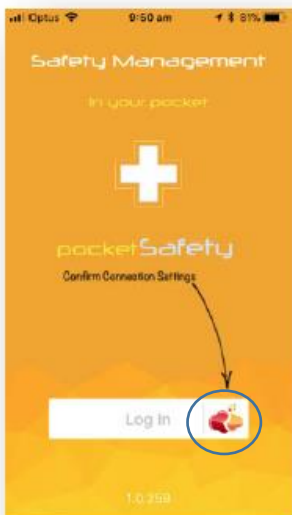

- 1) Tap on the riskcloud.NET icon
- 2) Below the Connection Settings, choose Riskcloud Production
- 3) Access Code = **UON**
- 4) Hit Save on the top right
- 5) Click Login to bring up your Single Sign On login page
- 6) Use your UoN number plate and password to login

App Store

Google Play

- 7) Create a secure passcode to allow easy access back into pocketSafety if you have closed the app without logging out, if you have logged out you will need to log in again
- 8) Navigate between functions by tapping the menu icon and the menu options available depend on your level of access
