## PROFESSIONAL EXPERIENCE

---

**WEBSITE DEVELOPER** - Zuper Design - Feb 2017- current

- Update and manage network architecture, databases, email and file servers, and hosting
- Redesigned website, graphics, and functionally to complement change in company goals and branding

**DATA ANALYST** - Global Scope WIL Project - June- August 2018

*Selected to join a team of five university students from various disciplines to find creative solutions to an existing problem within a NSW government organisation. As the only Information Technology student, I led all data analysis elements of the project.*

- Consulted with senior management to clarify project brief and identify key stakeholders
- Facilitated several community focus groups to ascertain residents' key concerns
- Designed survey and analysed collected data using SPSS to produce a project report
- Presented the team's findings to senior management who flagged several of our recommendations for implementation within the Department

**IT ROVER** - University of Newcastle - Feb 2017- Nov 2018

- Provided Help Desk, troubleshooting services and IT support to Library users
- Assisted students and staff with use of equipment and general enquiries
- Worked autonomously as the only rostered Rover on late night shifts

**SUMMER IT INTERNSHIP** - Zuper Design - Nov 2016- Feb 2017

*Upon completion of my successful internship with this company, I was offered the role of Website Developer on an ongoing basis.*

- Collaborated with writers, designers, and system administrators to achieve team goals
- Created and maintained website content, including graphics, links, forms, and programs

## FURTHER EMPLOYMENT

---

### **STUDENT AMBASSADOR** - University of Newcastle - June 2018- Nov 2019

- Engaged with secondary school students across the region to encourage them to consider tertiary study at the University of Newcastle
- Delivered presentations on behalf of the University at schools, open days, community events, career expos, and via social media

### **CUSTOMER SERVICE ASSISTANT** - EB Games - Oct 2015- Feb 2016

- Provided friendly and informative service to customers and maintained up to date knowledge of products sold in the store
- Initiated and implemented the practice of displaying game reviews by staff members next to price codes on merchandise shelves

## VOLUNTEER EXPERIENCE

---

### **STUDENT MENTOR** - East Coast Youth Homework Club - June 2016- Sept 2018

- Conducted weekly mentoring session with one high school student per term
- Assisted with study strategies across a range of subjects to help student to maintain focus and motivation
- Actively advocated for students and referred to other support services as needed

### **JUNIOR COACH & UMPIRE** - Rangers Softball Club – 2013- Oct 2017

- Coached junior softball teams (ages 10-16 years) and umpired junior and senior league games

## PROFESSIONAL DEVELOPMENT

---
